Abstract: The United States Victims of State Sponsored Terrorism Fund (the "Fund") was established to provide compensation to certain individuals who were injured as a result of acts of international terrorism by a state sponsor of terrorism. Under 42 U.S.C.

10609(c), an eligible claimant is (1) a U.S. person, as defined by 42 U.S.C. 10609(j)(8), with a final judgment issued by a U.S. district court under state or federal law against a state sponsor of terrorism and arising from an act of international terrorism, for which the foreign state was found not immune under provisions of the Foreign Sovereign Immunities Act, codified at 28 U.S.C. 1605A or 1605(a)(7) (as such section was in effect on January 27, 2008); (2) a U.S. person, as defined in 42 U.S.C. 10609(j)(8), who was taken and held hostage from the United States Embassy in Tehran, Iran, during the period beginning November 4, 1979, and ending January 20, 1981, or the spouse and child of that U.S. person at that time, and who is also identified as a member of the proposed class in case number 1:00-CV-03110 (EGS) of the United States District Court for the District of Columbia; or (3) the personal representative of a deceased individual in either of those two categories.

The information collected from the Fund's Application Form will be used to determine whether claimants are eligible for compensation from the Fund, and if so, the amount of compensation to be awarded. The Application Form consists of parts related to eligibility and compensation. The eligibility parts seek the information required by the Justice for United States Victims of State Sponsored Terrorism Act to determine whether a claimant is eligible for payment from the Fund, including information related to: Participation in federal lawsuits against a state sponsor of terrorism under the Foreign Sovereign Immunities Act; being taken and held hostage at the U.S. Embassy in Tehran, Iran, from the period beginning November 4, 1979, and ending January 20, 1981; or being spouses and children of such hostages. The compensation parts seek the information required by the Justice for United States Victims of State Sponsored Terrorism Act to determine the amount of compensation for which the claimant is eligible. Specifically, the compensation parts seek information regarding any compensation from sources other than the Fund that the claimant received, is entitled to receive, or is scheduled to receive, as a result of the act of international terrorism by a state sponsor of terrorism and the amount of compensatory damages awarded to the claimant in a final judgment. The Application Form was revised with minor formatting changes. There are no substantive changes in the revised Application Form, which contains the

same information regarding eligibility and compensation.

The Fund may require an eligible claimant to supplement his or her application by submitting additional forms. These additional supplementary forms include information related to: (1) An acknowledgment and certification by applicants and their attorneys regarding the statutory provision on the amount of attorneys' fees; (2) an authorization for the Fund to communicate with individuals identified by an applicant regarding his or her claim; (3) a proposed distribution plan and corresponding consent to the proposed distribution plan in claims filed by a personal representative of a deceased individual; (4) a Notice of Filing Claim for use by those applicants filing claims on behalf of deceased individuals; (5) a claimant's decision to change an attorney or representative; (6) a hearing request upon receipt of a decision denying the claim in whole or in part; and (7) electronic payment information.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 700 respondents may complete the Application Form. It is estimated that respondents will complete the paper form in an average of 2 hours, and the electronic form in an average of 1.5 hours.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 1,400 hours.

The Addendum would ensure systematic review of the production and dissemination of key statistical products of Federal statistical agencies and recognized statistical units and of how these products conform to the responsibilities identified in *Statistical Policy Directive No. 1: Fundamental Responsibilities of Federal Statistical Agencies and Recognized Statistical Units* (79 FR 71610, Dec. 2, 2014). Additional discussion of the proposed Addendum may be found in the **SUPPLEMENTARY INFORMATION** section below.

DATES: Comments and recommendations on the proposed Addendum detailed in this notice must be in writing. To ensure consideration of comments, they must be received no later than 45 days from the publication date of this notice. Because of delays in

the receipt of regular mail related to security screening, respondents are encouraged to send comments electronically via email, or www.regulations.gov (discussed in **ADDRESSES** below).
