BILLING CODE 6717–01–P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP16–98–000]

Dominion Carolina Gas Transmission, LLC; Notice of Availability of the Environmental Assessment for the Proposed Transco to Charleston Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) has prepared an environmental assessment (EA) for the Transco to Charleston Project (Project), proposed by Dominion Carolina Gas Transmission, LLC (Dominion) in the above-referenced docket. Dominion requests authorization to construct and operate new pipeline and compressor station facilities in South Carolina.

The EA assesses the potential environmental effects of the construction and operation of the Project in accordance with the requirements of the National Environmental Policy Act (NEPA). The FERC staff concludes that approval of the proposed Project, with appropriate mitigating measures, would not constitute a major federal action significantly affecting the quality of the human environment.

The proposed Project includes the following facilities:

- Approximately 55 miles of 12-inch-diameter pipeline in Spartanburg, Laurens, Newberry, and Greenwood Counties (Moore to Chappells Pipeline);
- approximately 5 miles of 4-inch-diameter pipeline in Dillon County (Dillon Pipeline);
- installation of two new 1,400-horsepower (hp) compressor units at the existing Moore Compressor Station in Spartanburg County;
- construction of a new 3,150-hp compressor station in Dorchester County (Dorchester Compressor Station);
- conversion of an existing 1,050-hp compressor unit from standby to base load at the existing Southern Compressor Station in Aiken County;
- upgrades to the existing Charleston Town Border Station in Charleston County and to the existing Greenwood Town Border Station in Greenwood County; and
- associated pipeline support facilities (metering and regulating stations, pig launcher and receiver assemblies, valves, and pipeline interconnects).

The FERC staff mailed copies of the EA to federal, state, and local government representatives and
