

significant risk that more series will not open as a result of this proposed rule change. Additionally, while the proposed rule change modifies the continuous quoting obligations of LMMs in Hybrid 3.0 classes, the proposed obligation is the same as that of LMMs in Hybrid classes and DPMs, who have substantially functions and obligations as LMMs in Hybrid 3.0 classes, and LMMs in Hybrid 3.0 classes will continue to be required to provide quotes in a substantial number of series for a large part of the trading day under the revised quoting obligation. The Exchange believes the rules, as amended, continue to provide an appropriate balance of benefits for and obligations on LMMs and DPMs, and result in significant liquidity on CBOE. See the discussion above for additional details regarding the balance of LMM and DPM obligations and benefits.

The proposed rule change regarding the Off-Floor DPM and On-Floor/Off-Floor LMM program merely enhances the description of this program for investors but has no impact on how the Exchange implements the program. The Exchange believes the proposed revisions to the descriptions of the Off-Floor DPM and Off/On-Floor LMM programs will make it easier to read and understand this program, including when Off-Floor DPMs and Off/On-Floor LMMs may be appointed by the Exchange and how obligations and benefits are applied when appointments pursuant to the Program have been made. This clarity will benefit investors and promote compliance with the program. Additionally, making this program available to classes in which there is an Off-Floor LMM and Hybrid 3.0 classes, in addition to classes in which there is an Off-Floor DPM and Hybrid classes only, may result in additional liquidity in those classes.

The nonsubstantive, technical changes and deletion of obsolete rule provisions have no impact on competition and are intended only to simplify, make consistent and eliminate potential confusion within the rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.
