SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–80084; File No. SR–NYSE–2017–04]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Eighth Amended and Restated Certificate of Incorporation of Intercontinental Exchange Holdings, Inc. and the Fifth Amended and Restated Certificate of Incorporation of NYSE Group, Inc.

February 22, 2017.

Pursuant to Section 19(b)(1) [1] of the Securities Exchange Act of 1934 (the ''Act'') [2] and Rule 19b–4 thereunder,[3] notice is hereby given that on February 8, 2017, New York Stock Exchange LLC (''NYSE'' or the ''Exchange''), filed with the Securities and Exchange Commission (the ''Commission'') the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend (a) the Eighth Amended and Restated Certificate of Incorporation of Intercontinental Exchange Holdings, Inc. (the ''ICE Holdings Certificate'') to add a reference to the name under which it filed its original certificate of incorporation, and (b) the Fifth Amended and Restated Certificate of Incorporation of NYSE Group, Inc. (the ''Fifth Amended NYSE Group Certificate'') to update obsolete references. The proposed rule change is available on the Exchange's Web site at *www.nyse.com,* at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make non-substantive changes to (a) the ICE Holdings Certificate to add a reference to the name under which it filed its original certificate of incorporation, and (b) the Fifth Amended NYSE Group Certificate to update obsolete references.

ICE Holdings Certificate

The Exchange's parent, NYSE Group, is a wholly-owned subsidiary of NYSE Holdings LLC, which is in turn 100% owned by Intercontinental Exchange Holdings, Inc. (''ICE Holdings''). Intercontinental Exchange, Inc. (''ICE''), a public company listed on the NYSE, owns 100% of ICE Holdings.

The original certificate of incorporation of ICE Holdings was filed in 2000, under the name ''IntercontinentalExchange, Inc.'' In 2014, ICE Holdings changed its name from ''IntercontinentalExchange, Inc.'' to ''Intercontinental Exchange Holdings, Inc.'' At the same time, ICE Holding's parent, ICE, changed its name from ''IntercontinentalExchange Group, Inc.'' to ''Intercontinental Exchange, Inc.'' [4]

In response to a comment received from the State of Delaware Department of State, the Exchange proposes to amend paragraph (1) of the ICE Holdings Certificate to add a reference to the fact that the original certificate of incorporation was filed under the name ''IntercontinentalExchange, Inc.'' The revised paragraph would read as follows (proposed new text underlined):

(1) The present name of the Corporation is Intercontinental Exchange Holdings, Inc. The original Certificate of Incorporation of the Corporation was filed on June 16, 2000 *(the ''Original Certificate of Incorporation), and the name under which the Corporation filed the Original Certificate of Incorporation was IntercontinentalExchange, Inc.*

Fifth Amended NYSE Group Certificate

The Securities and Exchange Commission approved the Fifth Amended NYSE Group Certificate on January 30, 2017.[5]

The Exchange proposes to amend the Fifth Amended NYSE Group Certificate to update obsolete references to the Fourth Amended and Restated Certificate of Incorporation of NYSE Group (''Fourth Amended NYSE Group Certificate''). More specifically, the Exchange proposes to:

- Amend Article XIV, ''Effective Time,'' to replace ''Fourth'' with ''Fifth'' and to replace December 29, 2014, the date of effectiveness of the Fourth Amended NYSE Group Certificate, with a placeholder which will be completed with the date that the Fifth Amended NYSE Group Certificate becomes effective; and
- on the signature page of the NYSE Group Certificate, replace ''Fourth'' with ''Fifth'' and replace December 29, 2014, with a placeholder which will be completed with the date that the Fifth Amended NYSE Group Certificate becomes effective.

No other changes to the ICE Holdings Certificate or Fifth Amended NYSE Group Certificate are proposed.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act [6] in general, and with Section 6(b)(1) [7] in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed amendment to the ICE Holdings Certificate to add a reference to the name under which it filed its original certificate of incorporation is a non-substantive, ministerial change requested by the State of Delaware Department of State that does not impact either the governance or ownership of the Exchange. The Exchange believes that the proposed change is consistent with Section 6(b)(1) because it would contribute to the orderly operation of the Exchange by adding clarity and transparency to the Exchange's rules and would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by

its members and persons associated with its members.

For similar reasons, the Exchange also believes that the proposed change furthers the objectives of Section 6(b)(5) of the Exchange Act [8] because the proposed rule change would be consistent with and facilitate a governance and regulatory structure that is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

As discussed above, the proposed changes to amend the Fifth Amended NYSE Group Certificate, which would replace obsolete references to the Fourth Amended NYSE Group Certificate with references to the Fifth Amended NYSE Group Certificate and update the date of effectiveness, removes impediments to and perfects the mechanism of a free and open market by removing confusion that may result from having these references in the Fifth Amended NYSE Group Certificate. The Exchange further believes that the proposal removes impediments to and would perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Fifth Amended NYSE Group Certificate. The Exchange further believes that eliminating obsolete references would be consistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency, thereby reducing potential confusion. Removing such obsolete references will also further the goal of transparency and add clarity to the Exchange's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is to make non-substantive changes concerned solely with the clarity and transparency of its parent entities' governing documents.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act [9] and subparagraph (f)(6) of Rule 19b–4 thereunder.[10]

A proposed rule change filed under Rule 19b–4(f)(6) of the Act [11] normally does not become operative before 30 days from the date of the filing. However, Rule 19b–4(f)(6)(iii) [12] permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed changes are non-substantive and would provide clarity and transparency to its parent entities' governing documents. The Exchange represents that the proposed rule change would have no impact on either the governance or ownership of the Exchange. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed changes are non-substantive and will provide clarity to the Exchange's rules. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.[13]

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Proposed Collection; Comment Request

Extension:

Rule 206(4)–6, SEC File No. 270–513, OMB Control No. 3235–0571.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the ''Commission'') is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget (''OMB'') for extension and approval.

The title for the collection of information is ''Rule 206(4)–6'' under the Investment Advisers Act of 1940 (15 U.S.C. 80b–1 *et seq.*) (''Advisers Act'') and the collection has been approved under OMB Control No. 3235–0571. The Commission adopted rule 206(4)–6 (17 CFR 275.206(4)–6), the proxy voting rule, to address an investment adviser's fiduciary obligation to clients who have given the adviser authority to vote their securities. Under the rule, an investment adviser that exercises voting authority over client securities is required to: (i) Adopt and implement written policies and procedures that are reasonably designed to ensure that the adviser votes client securities in the best interest of clients, including procedures to address any material conflict that may arise between the interests of the adviser and the client; (ii) disclose to clients how they may obtain information from the adviser on how the adviser has voted with respect to their securities; and (iii) describe to clients the adviser's proxy voting policies and procedures and, on request, furnish a copy of the policies and procedures to the requesting client. The rule is designed to assure that advisers that vote proxies for their clients vote those proxies in their clients' best interest and provide clients with information about how their proxies were voted.

Rule 206(4)–6 contains ''collection of information'' requirements within the meaning of the Paperwork Reduction Act. The respondents are investment advisers registered with the Commission that vote proxies with respect to clients' securities. Advisory clients of these investment advisers use the information required by the rule to assess investment advisers' proxy voting policies and procedures and to monitor the advisers' performance of their proxy voting activities. The information required by Adviser's Act rule 204–2, a recordkeeping rule, also is used by the Commission staff in its examination and oversight program. Without the information collected under the rules, advisory clients would not have information they need to assess the adviser's services and monitor the adviser's handling of their accounts, and the Commission would be less efficient and effective in its programs.

The estimated number of investment advisers subject to the collection of information requirements under the rule is 10,942. It is estimated that each of these advisers is required to spend on average 10 hours annually documenting its proxy voting procedures under the requirements of the rule, for a total burden of 109,420 hours. We further estimate that on average, approximately 292 clients of each adviser would request copies of the underlying policies and procedures. We estimate that it would take these advisers 0.1 hours per client to deliver copies of the policies and procedures, for a total burden of 319,506 hours. Accordingly, we estimate that rule 206(4)–6 results in an annual aggregate burden of collection for SEC-registered investment advisers of a total of 428,926 hours.

Written comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: *PRA_Mailbox@sec.gov.*

Dated: February 21, 2017.

Assistant Secretary.
