

2017, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the AD order on certain artist canvas from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁴

Scope of the Order

The products covered by this order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by this proceeding.

Artist canvases subject to this order are currently classifiable under subheadings 5901.90.20.00, 5901.90.40.00, 5903.90.2500, 5903.90.2000, 5903.90.1000, 5907.00.8090, 5907.00.8010, and 5907.00.6000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Specifically excluded from the scope of this order are tracing cloths, "paint by number" or "or "paint-it-yourself" artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.⁵ Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

Additionally, we have determined that canvas woven and primed in India,

but cut, stretched and framed in the PRC and exported from the PRC, are not subject to the order covering artist canvas from the PRC. *See Notice of Scope Rulings*, 75 FR 14138 (March 24, 2010).

Continuation of the Order

As a result of these determinations by the Department and the ITC that revocation of the AD order on certain artist canvas from the PRC would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the AD order on certain artist canvas from the PRC. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of this continuation.

This five-year (sunset) review and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Dated: March 13, 2017.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.

Background

On February 13, 2017, based on a timely request for review on behalf of the American Honey Producers Association and Sioux Honey Association (collectively, petitioners),¹ the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on honey from the PRC covering the period December 1, 2015, through November 30, 2016.²

ACTION: Notice of application for permit; request for comments.

SUMMARY: NMFS publishes for public review and comment information regarding a permit application for transshipment of Atlantic herring by

Canadian vessels, submitted under provisions of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act). This action is necessary for NMFS to make a determination that the permit application can be approved.

SUPPLEMENTARY INFORMATION:

Background

Section 204(d) of the Magnuson-Stevens Act (16 U.S.C. 1824(d)) authorizes the Secretary of Commerce (Secretary) to issue a transshipment permit authorizing a vessel other than a vessel of the United States to engage in fishing consisting solely of transporting fish or fish products at sea from a point within the United States Exclusive Economic Zone (EEZ) or, with the concurrence of a state, within the boundaries of that state, to a point outside the United States. In addition, Public Law 104-297, section 105(e), directs the Secretary to issue section 204(d) permits to up to 14 Canadian transport vessels that are not equipped for fish harvesting or processing, for the transshipment of Atlantic herring harvested by United States fishermen and to be used solely in sardine processing. Transshipment must occur from within the boundaries of the State of Maine or within the portion of the EEZ east of the line 69 degrees 30 minutes west and within 12 nautical miles from Maine's seaward boundary.

Section 204(d)(3)(D) of the Magnuson-Stevens Act provides that an application may not be approved until the Secretary determines that "no owner or operator of a vessel of the United States which has adequate capacity to perform the transportation for which the application is submitted has indicated . . . an interest in performing the transportation at fair and reasonable rates." NMFS is publishing this notice as part of its effort to make such a determination with respect to the application described below.

Summary of Application

NMFS received an application requesting authorization for four Canadian transport vessels to receive
