SUPPLEMENTARY INFORMATION:

Determined to break the link between armed groups and minerals in the Africa Great Lakes Region, in 2010 Congress enacted Section 1502 of the Wall Street Consumer Reform and Protection Act of 2010. That law requires the Securities and Exchange Commission to promulgate regulations requiring approximately 6,000 companies listed on U.S. exchanges to annually disclose to the SEC whether any "conflict minerals" (tin, tantalum, tungsten and gold) necessary to the functionality or

production of a product are from the DRC or nine adjacent countries.
