

receive additional payments to subsidize the costs associated with providing certain order routing functionalities. Additionally, the Exchange believes the increased \$0.07 per contract subsidy for non-customer orders when the participating TPHs and participating Non-CBOE TPHs reach the applicable volume threshold is reasonable because it is similar to the subsidies paid by another exchange under a similar subsidy program.⁸ The Exchange also believes it is reasonable, equitable and not unfairly discriminatory to increase the subsidy as it relates to non-customer orders only under the Programs. Particularly, the Exchange notes that customer orders already have the opportunity to earn various rebates, discounts or fee caps.⁹ Moreover, the Exchange notes that another exchange also does not provide subsidies for customer orders.¹⁰

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed changes will impose an unnecessary burden on intramarket competition because they will apply equally to all participating parties. Although the subsidy for orders routed to CBOE through a Participant's system only applies to Participants of the Programs, the subsidies are designed to encourage the sending of more orders to the Exchange, which should provide greater liquidity and trading opportunities for all market participants. Additionally, although customer orders will not be eligible for the increased subsidy under the Programs, customer orders are eligible for other rebates, discounts or fee caps.¹¹ The Exchange also does not believe that such changes will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that, should the proposed changes make CBOE more attractive for trading, market participants trading on other exchanges can always elect to provide order routing functionality to CBOE. Additionally, to the extent that the proposed changes to the ORS and CORS

Programs result in increased trading volume on CBOE and lessened volume on other exchanges, the Exchange notes that market participants trading on other exchanges can always elect to become TPHs on CBOE to take advantage of the trading opportunities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b-4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

(the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”),⁴ and Rule 19b–4 thereunder,⁵ Investors Exchange LLC (“IEX” or “Exchange”) is filing with the Commission a proposed rule change to amend Exchange Rule 11.340 to modify the date of Appendix B Web site data publication pursuant to the Regulation NMS Plan to Implement a Tick Size Pilot Program (“Plan”). The Exchange has filed the proposed rule change for immediate effectiveness. The operative date of the proposed rule change will be the date of filing.

The text of the proposed rule change is available at the Exchange’s Web site at www.iextrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Rule 11.340(b) (Compliance with Data Collection Requirements)⁶ implements the data collection and Web site publication requirements of the Plan.⁷

⁴ 15 U.S.C. 78s(b)(1).

⁵ 17 CFR 240.19b–4.

⁶ See Exchange Rule 11.340(b). See also Securities Exchange Act Release Nos. 77418 (March 22, 2016), 81 FR 17213 (March 28, 2016); and 78795 (September 9, 2016), 81 FR 63508 (September 15, 2016).

⁷ The Participants filed the Plan to comply with an order issued by the Commission on June 24, 2014. See Letter from Brendon J. Weiss, Vice President, Intercontinental Exchange, Inc., to

Supplementary Material .09 to IEX Rule 11.340 currently provides, among other things, that the requirement that the Exchange or Designated Examining Authority (“DEA”) make certain data for the Pre-Pilot Period and Pilot Period⁸ publicly available on the Exchange’s or DEA’s Web site pursuant to Appendix B to the Plan shall commence on April 28, 2017.⁹ IEX is proposing to further delay the Web site publication of Appendix B data until August 31, 2017 to permit additional time to consider a methodology to mitigate concerns raised in connection with the publication of Appendix B data.¹⁰

Pursuant to this proposed amendment, FINRA [sic]¹¹ or the DEA would publish the required Appendix B data for the Pre-Pilot Period through April 30, 2017, by August 31, 2017. Thereafter, Appendix B data for a given month would be published within 120 calendar days following month end.¹² Thus, for example, Appendix B data for May 2017 would be made available on the FINRA [sic]¹³ or DEA Web site by September 28, 2017, and data for the month of June 2017 would be made available on the FINRA [sic]¹⁴ or DEA Web site by October 28, 2017.

As noted in Item 2 of this filing, IEX has filed the proposed rule change for immediate effectiveness. The operative date of the proposed rule change will be the date of filing.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act¹⁵ in general, and furthers the

Secretary, Commission, dated August 25, 2014 (“SRO Tick Size Plan Proposal”). See Securities Exchange Act Release No. 72460 (June 24, 2014), 79 FR 36840 (June 30, 2014); see also Securities Exchange Act Release No. 74892 (May 6, 2015), 80 FR 27513 (May 13, 2015).

⁸ Unless otherwise defined herein, capitalized terms have the meaning ascribed to them in Rule 11.340.

⁹ See IEX Rule 11.340.09. See also Securities Exchange Act Release No. 80218 (March 10, 2017), 82 FR 14054 (March 16, 2017). See also Letter from David S. Shillman, Associate Director, Division of Trading and Markets, Commission, to Robert L.D. Colby, Executive Vice President and Chief Legal Officer, FINRA, dated February 28, 2017.

¹⁰ On March 3, 2017, FINRA filed a proposed rule change to implement an anonymous, grouped masking methodology for Appendix B.I, B.II. and B.IV. data. The comment period ended on April 5, 2017, and the Commission received three comment letters. See Securities Exchange Act Release No. 80193 (March 9, 2017) 82 FR 13901 (March 15, 2017).

¹¹ The Commission notes IEX Rule 11.340.09 states that the “Exchange or DEA” will conduct this function.

¹² FINRA also is submitting an exemptive request to the SEC on behalf of the Participants in connection with the instant filing.

objectives of Section 6(b)(5) of the Act¹⁶ in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest, and Section 6(b)(8) of the Act,¹⁷ which requires that IEX rules not impose any burden on competition that is not necessary or appropriate.

The Plan is designed to allow the Commission, market participants, and the public to study and assess the impact of increment conventions on the liquidity and trading of the common stock of small-capitalization companies. The Exchange believes that this proposal is consistent with the Act because it is in furtherance of the objectives of Section VII(A) of the Plan in that it is designed to provide additional time to consider a methodology to mitigate concerns raised in connection with the publication of Appendix B data.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposed rule change implements the provisions of the Plan.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b–4(f)(6) thereunder.¹⁹

A proposed rule change filed under Rule 19(b)–4(f)(6) normally does not

¹⁶ 15 U.S.C. 78f(b)(5).

¹⁷ 15 U.S.C. 78f(b)(8).

¹⁸ 15 U.S.C. 78s(b)(3)(A).

¹⁹ 17 CFR 240.19b–4(f)(6).

become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing so that it may become operative on the date of filing.

The Exchange notes that the proposed rule change is intended to mitigate confidentiality concerns raised in connection with Section VII(A) of the Plan, which provides that the data made publicly available will not identify the Trading Center that generated the data. The Exchange states that the additional time would allow consideration of a methodology to mitigate concerns related to the publication of Appendix B data.²⁰

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will synchronize the timing for publication of Appendix B data for all Participants, which should enhance the consistency and usefulness of the data.²¹ Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative on the date of filing.²²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
