permitted by section 19(b) or rule 19b–1.

Applicants: The RiverNorth DoubleLine Strategic Opportunity Fund, Inc. (the ''Fund''), a newly-organized, diversified closed-end investment company registered under the Act and organized as a corporation under the laws of Maryland, and RiverNorth Capital Management LLC (the ''Adviser'') (together with the Fund, the ''Applicants''), registered under the Investment Advisers Act of 1940, organized as a limited liability company under the laws of Delaware, and serving as investment adviser to the Fund.[1]

Filing Dates: The application was filed on September 1, 2016, and amended on April 12, 2017.

Hearing or Notification of Hearing: An order granting the application will be issued unless the Commission orders a hearing. Interested persons may request a hearing by writing to the Commission's Secretary and serving applicants with a copy of the request, personally or by mail. Hearing requests should be received by the Commission by 5:30 p.m. on June 6, 2017, and should be accompanied by proof of service on applicants, in the form of an affidavit or, for lawyers, a certificate of service. Pursuant to Rule 0–5 under the Act, hearing requests should state the nature of the writer's interest, any facts bearing upon the desirability of a hearing on the matter, the reason for the request, and the issues contested. Persons who wish to be notified of a hearing may request notification by writing to the Commission's Secretary.

ADDRESSES: The Commission: Secretary, U.S. Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090. Applicants: Morrison C. Warren, Esq., RiverNorth DoubleLine Strategic Opportunity Fund, Inc., Chapman and Cutler LLP, 111 West Monroe Street, Chicago, Illinois 60603, and Marc Collins, Esq., RiverNorth Capital Management LLC, 325 North LaSalle Street, Suite 645, Chicago, Illinois 60654.

[1] Applicants request that the order also apply to each other registered closed-end investment company advised or to be advised in the future by the Adviser or by an entity controlling, controlled by, or under common control (within the meaning of section 2(a)(9) of the Act) with the Adviser (including any successor in interest) (each such entity, including the Adviser, also the ''Adviser'') that in the future seeks to rely on the order (such investment companies, together with the Fund, are collectively the ''Funds'' and, individually, a ''Fund''). A successor in interest is limited to entities that result from a reorganization into another jurisdiction or a change in the type of business organization.

FOR FURTHER INFORMATION CONTACT: Stephan N. Packs, Senior Counsel at (202) 551–6853, or David J. Marcinkus, Branch Chief, at (202) 551–6825 (Division of Investment Management, Chief Counsel's Office).

SUPPLEMENTARY INFORMATION: The following is a summary of the application. The complete application may be obtained via the Commission's Web site by searching for the file number, or for an applicant using the Company name box, at *http://www.sec.gov/search/search.htm,* or by calling (202) 551–8090.

Summary of the Application

1. Section 19(b) of the Act generally makes it unlawful for any registered investment company (''fund'') to make long-term capital gains distributions more than once every twelve months. Rule 19b–1 under the Act limits to one the number of capital gain dividends, as defined in section 852(b)(3)(C) of the Internal Revenue Code of 1986 (''Code,'' and such dividends, ''distributions''), that a fund may make with respect to any one taxable year, plus a supplemental distribution made pursuant to section 855 of the Code not exceeding 10% of the total amount distributed for the year, plus one additional capital gain dividend made in whole or in part to avoid the excise tax under section 4982 of the Code.

2. Applicants believe that investors in certain closed-end funds may prefer an investment vehicle that provides regular current income through a fixed distribution policy (''Distribution Policy''). Applicants propose that the Fund be permitted to adopt a Distribution Policy, pursuant to which the Fund would distribute periodically to its stockholders a fixed monthly percentage of the market price of the Fund's common stock at a particular point in time or a fixed monthly percentage of net asset value (''NAV'') at a particular time or a fixed monthly amount per share of common stock, any of which may be adjusted from time to time.

3. Applicants request an order under section 6(c) of the Act granting an exemption from section 19(b) of the Act and rule 19b–1 to permit a Fund to distribute periodic capital gain dividends (as defined in section 852(b)(3)(C) of the Code) as frequently as twelve times in any one taxable year in respect of its common stock and as often as specified by, or determined in accordance with the terms of, any preferred stock issued by the Fund. Section 6(c) of the Act provides, in relevant part, that the Commission may exempt any person or transaction from any provision of the Act to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

4. Applicants state that any order granting the requested relief will be subject to the terms and conditions stated in the application, which generally are designed to address the concerns underlying section 19(b) and rule 19b–1, including concerns about proper disclosures and shareholders' understanding of the source(s) of a Fund's distributions and concerns about improper sales practices. Among other things, such terms and conditions require that (1) the board of directors or trustees of the Fund (the ''Board'') review such information as is reasonably necessary to make an informed determination of whether to adopt the proposed Distribution Policy and that the Board periodically review the amount of the distributions in light of the investment experience of the Fund, and (2) that the Fund's shareholders receive appropriate disclosures concerning the distributions.

For the Commission, by the Division of Investment Management, under delegated authority.

Eduardo A. Aleman,

Assistant Secretary.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Approval of Noise Compatibility Program, Melbourne International Airport, Melbourne, FL

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its findings on the Noise Compatibility Program submitted by the Melbourne Airport Authority (MAA) under the Aviation Safety and Noise Abatement Act, hereinafter referred to as ''the Act.'' These findings are made in recognition of the description of Federal and nonfederal responsibilities in Senate Report No. 96–52 (1980). On December 12, 2016, the FAA determined that the noise exposure maps submitted by the MAA under Part 150 were in compliance with applicable requirements. On April 25, 2017, the FAA approved the Melbourne International Airport (MLB) noise compatibility program. All of the recommendations of the program were approved. No program elements relating to new or revised flight procedures for noise abatement were proposed by the airport operator.

DATES: The effective date of the FAA's approval of the MLB Noise Compatibility Program is April 25, 2017.

FOR FURTHER INFORMATION CONTACT: Allan Nagy, Federal Aviation Administration, Orlando Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822, phone number: (407) 812–6331. Documents reflecting this FAA action may be reviewed at this same location.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA has given its overall approval to the Noise Compatibility Program for MLB, effective April 25, 2017.

Under Section 47504 of the Act, an airport operator who has previously submitted a Noise Exposure Map may submit to the FAA a Noise Compatibility Program which sets forth the measures taken or proposed by the airport operator for the reduction of existing non-compatible land uses and prevention of additional non-compatible land uses within the area covered by the Noise Exposure Maps. The Act requires such programs to be developed in consultation with interested and affected parties including local communities, government agencies, airport users, and FAA personnel.

Each airport noise compatibility program developed in accordance with Title 14 Code of Federal Regulations (CFR) part 150 is a local program, not a Federal Program. The FAA does not substitute its judgment for that of the airport operator with respect to which measure should be recommended for action. The FAA's approval or disapproval of 14 CFR part 150 program recommendations is measured according to the standards expressed in 14 CFR part 150 and the Act, and is limited to the following determinations:

a. The Noise Compatibility Program was developed in accordance with the provisions and procedures of 14 CFR part 150;

b. Program measures are reasonably consistent with achieving the goals of reducing existing non-compatible land uses around the airport and preventing the introduction of additional non-compatible land uses;

c. Program measures would not create an undue burden on interstate or foreign commerce, unjustly discriminate against types or classes of aeronautical uses, violate the terms of airport grant agreements, or intrude into areas preempted by the Federal government; and

d. Program measures relating to the use of flight procedures can be implemented within the period covered by the program without derogating safety, adversely affecting the efficient use and management of the navigable airspace and air traffic control systems, or adversely affecting other powers and responsibilities of the Administrator prescribed by law.

Specific limitations with respect to FAA's approval of an airport Noise Compatibility Program are delineated in 14 CFR part 150, Section 150.5. Approval is not a determination concerning the acceptability of land uses under Federal, state, or local law. Approval does not by itself constitute an FAA implementing action. A request for Federal action or approval to implement specific noise compatibility measures may be required, and an FAA decision on the request may require environmental review of the proposed action. Approval does not constitute a
