The purpose of the OSCUI Grant Program is to assist low-income designated credit unions (LICU) in providing basic financial services to their low-income members to stimulate economic activities in their communities. Through the OSCUI Grant

Program, NCUA provides financial support in the form of technical assistance grants to LICUs. These funds help improve and expand the availability of financial services to these members. The OSCUI Grant Program also serves as a source of funding to help LICUs respond to emergencies. The Grant Program consists of Congressional appropriations that are administered by OSCUI, an office of the NCUA.

This grant round will include initiatives¹ for Digital Services & Security, Leadership Development, Small LICU Capacity, and Underserved Outreach. NCUA will accept applications from credit unions for Digital Services & Security, Leadership Development, and Small LICU Capacity initiatives from July 1 through July 31, 2017.² Applications for the Underserved Outreach initiative will be accepted from July 1 through August 31, 2017. Each grant award may be used for a project intended to support the efforts of credit unions:

- i. Providing basic financial and related services to residents in their communities; and
- ii. Enhancing their capacity to better serve their members and the communities in which they operate.

Information about the OSCUI Grant Program, including more details regarding the 2017 grant round, other funding initiatives, amount of funds available, funding priorities, permissible uses of funds, funding limits, deadlines and other pertinent details, are periodically published in NCUA Letters to Credit Unions, in the OSCUI e-newsletter and on the NCUA Web site at <https://www.ncua.gov/services/Pages/small-credit-union-initiatives/grants-loans/grants.aspx>.
