

performance, compatibility, feasibility, and examination information and applicable concurrence.

(i) *Assessment of Impact*: The Compatibility criteria will take into consideration the extent of community need and projected impact of the funding on the Applicant's members and community.

(ii) *Effective Strategy*: The Feasibility criteria will take into consideration the quality of the Applicant's strategy and its capacity to execute the strategy as demonstrated by its past performance, partnering relationships, and other relevant factors.

(iii) *Evaluating Prior Award Performance*: For prior participants of the OSCUI Grant and Loan Program, loans may not be awarded if the participant: (1) Is noncompliant with any active award; (2) failed to make timely loan payments to NCUA during fiscal years prior to the date of Application; and (3) had an award deobligated (*i.e.* removal of unused awarded funds) during fiscal years prior to the date of Application.

(d) *Examination Information and Applicable Concurrence*: NCUA will not approve an award to a credit union for which it's NCUA regional examining office or SSA, if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

(e) *Funding Selection*: NCUA will make its funding selections based on a consistent scoring tier for each applicant. NCUA will consider the impact of the funding. In addition, NCUA may consider the geographic diversity of the Applicants in its funding decisions. When loan demand is high, applications will be ranked based on the aforementioned.

#### F. Federal Award Administration

1. *Federal Award Notices*: NCUA will notify each Applicant of its funding decision. Notification will generally be by email. Applicants that are approved for funding will also receive instructions on how to proceed with disbursement of the loan.

2. *Administrative and National Policy Requirements*: (a) *Loan Agreements*: Each Participating Credit Union

approved for funding under this NOFO must enter into agreement with NCUA before NCUA will disburse loan funds. The agreement documents include, for example, a promissory note, loan agreement, amortization schedule, and security agreement (if applicable). The Loan Agreement will include the terms and conditions of funding, including but not limited to the: (i) Loan amount; (ii) interest rate; (iii) repayment requirements; (iv) accounting treatment; (v) impact measures; and (vi) reporting requirements.

3. *Administrative and National Policy Requirements*: (a) *Loan Agreements*: Each Participating Credit Union under this NOFO must enter into agreement with NCUA before NCUA will disburse loan funds. The agreement documents include, for example, a promissory note, loan agreement, repayment schedule, and security agreement (if applicable). The Loan Agreement will include the terms and conditions of funding, including but not limited to the: (i) Loan amount; (ii) interest rate; (iii) repayment requirements; (iv) accounting treatment; (v) impact measures; and (vi) reporting requirements.

(b) *Failure To Sign Agreement*: NCUA, in its sole discretion, may rescind a loan offer if the Applicant fails to return the signed loan documents and/or any other requested documentation, within the time specified by NCUA.

(c) *Multiple Disbursements*: NCUA may determine, in its sole discretion, to fund a loan in multiple disbursements. In such cases, the process for disbursement will be specified by NCUA in the Loan Agreement.

3. *Reporting*: The reporting requirements are more fully described in § 705.9 of NCUA's regulations. Annually, each Participating Credit Union will submit a report to NCUA. The report will address the Participating Credit Union's use of the loan funds; the impact of funding; and explanation of any failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements. However, such reporting requirements will be modified only after notice to affected credit unions.

*Report Form*: Applicable credit unions will be notified regarding the submission of the report form. A Participating Credit Union is responsible for timely and complete submission of the report. NCUA will use such information to monitor each Participating Credit Union's compliance with the requirements of its loan agreement and to assess the impact of the OSCUI Loan Program.
