Multilayered Wood Flooring From the People's Republic of China: Notice of Correction to the Final Results of Countervailing Duty Administrative Review; 2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Dennis McClure, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5973.

SUPPLEMENTARY INFORMATION: On May 15, 2017, the Department of Commerce (the Department) published in the **Federal Register** the final results of the 2014 countervailing duty administrative review of multilayered wood flooring from the People's Republic of China.¹ In the *Final Results*, the Department inadvertently excluded Nanjing Minglin Wooden Industry Co., Ltd. (Nanjing Minglin) from the list of companies not selected for individual examination (non-selected companies) which were assigned a review-specific average rate

of 1.06 percent.² However, the February 9, 2016, initiation of this review included Nanjing Minglin and, therefore, we should have assigned a review-specific average rate of 1.06 percent to Nanjing Minglin for the final results.³

In addition, we note that we inadvertently included Jiangsu Keri Wood Co., Ltd. (Jiangsu Keri) in the list of non-selected companies assigned a review-specific average rate.⁴ However, we should have excluded Jiangsu Keri from the list of non-selected companies because Jiangsu Keri withdrew its request for a review and the Department rescinded its review of Jiangsu Keri in the *Preliminary Results*.⁵ Accordingly, we now correct the *Final Results* of this administrative review by assigning the review-specific average rate to Nanjing Minglin and removing Jiangsu Keri from the list of non-selected respondents.

This correction to the *Final Results* is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Certain Steel Nails From the United Arab Emirates: Preliminary Results of Antidumping Duty Administrative Review; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain steel nails (nails) from the United Arab Emirates (UAE). The period of review (POR) is May 1, 2015, through April 30, 2016. We preliminarily determine that the only exporter of subject

merchandise, Overseas Distribution Services Inc. (ODS), sold subject merchandise at less than normal value (NV) in the United States and that Oman Fasteners LLC (Oman Fasteners) and Overseas International Steel Industry LLC (OISI) had no shipments during the POR.

DATES: Effective May 31, 2017.

FOR FURTHER INFORMATION CONTACT: Annathea Cook or Susan Pulongbarit, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0250, and (202) 482-4031, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the Order¹ is nails from the UAE. The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7317.00.55, 7317.00.65, and 7317.00.75. While the HTSUS subheadings are provided for convenience and customs purposes, the written product description remains dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.²

Preliminary Determination of No Shipments

Based on our analysis of U.S. Customs and Border Protection (CBP) information, and information provided by Oman Fasteners and OISI, we preliminarily determine that these companies had no shipments of the subject merchandise, and, therefore, no reviewable transactions, during the POR. For a full discussion of this determination, see the Preliminary Decision Memorandum.³

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For a full

description of the methodology underlying our conclusions, see Preliminary Decision Memorandum.⁴ The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Adverse Facts Available

Because mandatory respondent ODS has withheld requested information, failed to provide such information in the manner and form required, impeded this review, and reported information that could not be verified, thus failing to cooperate by not acting to the best of its ability to comply with a request for information by the Department, we preliminarily determine to apply adverse facts available (AFA) to this respondent, in accordance with sections 776(a) and (b) of the Act and 19 CFR 351.308. For further discussion, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine that, for the period of May 1, 2015, through April 30, 2016 the following weighted-average dumping margin exists:

| Producer/exporter | Weighted-average margin (percent) |
|--|-----------------------------------|
| Overseas Distribution Services Inc. | 184.41 |

Disclosure and Public Comment

Interested parties may submit case briefs not later than 20 days after the date of publication of this notice.⁵ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁶ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of

the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5 p.m. Eastern Time within 20 days after the date of publication of this notice.⁸ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act, unless otherwise extended.

All documents must be filed electronically using ACCESS. An electronically-filed request must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Standard Time.

Assessment Rates

Upon issuance of the final results, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If ODS's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate an importer-specific *ad valorem* antidumping duty assessment rate based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If ODS's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and

We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of nails from the UAE entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rates for ODS will be the rates established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.30 percent, the all-others rate established in the *Order*.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of the antidumping duties reimburses.

The preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: May 16, 2017.

Acting Assistant Secretary for Enforcement and Compliance.

Utility Scale Wind Towers From the Socialist Republic of Vietnam: Notice of Amended Initiation of Antidumping Duty Administrative Review; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

DATES: Effective May 31, 2017.

FOR FURTHER INFORMATION CONTACT: Trisha Tran, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4852.

SUPPLEMENTARY INFORMATION:

Background

In the amended final determination and antidumping duty order of this underlying investigation, the Department of Commerce (the Department) determined that CS Wind Vietnam Co., Ltd., and CS Wind Corporation are a single entity: The CS Wind Group.¹ On March 16, 2017, the United States Court of International Trade (CIT) issued its final judgment, sustaining the Department's final results of redetermination concerning the less-than-fair value investigation of utility scale wind towers (wind towers) from the Socialist Republic of Vietnam (Vietnam).² On March 29, 2017, pursuant to that Court decision, effective March 26, 2017, the Department excluded from the antidumping duty order wind towers

² See *CS Wind Vietnam Co., Ltd., and CS Wind Corporation v. United States*, Slip Op. 17-26 (CIT 2017).

that are produced and exported by The CS Wind Group.³

Amendment to the Initiation

On April 10, 2017, the Department published a notice of initiation of an administrative review of the antidumping duty order on wind towers from Vietnam for the period February 1, 2016, through January 31, 2017.⁴ In the *Initiation Notice*, the Department inadvertently initiated an administrative review on all entries of merchandise exported by CS Wind Group. Because wind towers that are produced and exported by CS Wind Group were excluded from the antidumping duty order on wind towers from Vietnam effective March 26, 2017, the Department should only have initiated the administrative review on wind towers produced in Vietnam with respect to the CS Wind Group where CS Wind Group was (1) the producer but not the exporter, or (2) the exporter but not the producer. To correct this error in the *Initiation Notice*, the Department is now issuing this notice of amended initiation of the 2016-2017 antidumping duty administrative review of wind towers from Vietnam with respect to the CS Wind Group. The Department is initiating an administrative review only on entries where CS Wind Group was (1) the producer but not the exporter, or (2) the exporter but not the producer of subject merchandise. The initiation with respect to Vina Halla Heavy Industries Ltd. and UBI Tower Sole Member Company Ltd., remains unchanged.

Deadline for Withdrawal of Request for Administrative Review

Pursuant to 19 CFR 351.213(d)(1), a party that has requested a review may withdraw that request within 90 days of the date of publication of the notice of initiation of the requested review. The *Initiation Notice* was published on April 10, 2017. Accordingly, the current deadline for withdrawal of request for this administrative review is July 10, 2017.⁵

⁴ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 82 FR 17188 (April 10, 2017) (*Initiation Notice*).

⁵ 90 days after the publication of the *Initiation Notice* would place the deadline on a Sunday, July 9, 2017. The Department's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day.
