SUPPLEMENTARY INFORMATION:

Title: USDA/HSI Scholars Program.

OMB Number: 0503-New.

Expiration Date of Approval: 3 years from approval date.

Type of Request: New information collection.

Abstract: The purpose of the USDA/HSI Scholars Program is to strengthen the long-term partnership between USDA and the Hispanic-Serving Institutions; to increase the number of students studying and graduating in food, agriculture, natural resources, and other related fields of study; to develop a pool of scientists and professionals to fill jobs in the food, agricultural, or natural resources system; and to create a talent pipeline for USDA.

The USDA/HSI Scholars Program is a joint human capital initiative between USDA and Hispanic-Serving Institutions. Through the program, the USDA offers scholarships to high school and college students who are seeking a bachelor's degree in the fields of agriculture, food, or natural resource sciences, and related disciplines at Hispanic-Serving Institutions. In order for graduating high school students and current freshmen and sophomores to be considered for the scholarship, a completed application is required. The first section of the high school application requests the applicant to include biographical information (e.g., name, address, etc.); educational background information (e.g., grade point average, name of university(ies)

interested in attending, and desired major); and extracurricular activities. The second section of the application is completed by the student's guidance counselor and requests information pertaining to the student's academic status and grade point average. The last section of the application, which is to be completed by a teacher, provides information that assesses the applicant's interests, character, and potential. In addition to the application form, the college submission requires two letters of recommendation—one from a Department Head, Dean or University Vice President, and another from a College Professor. There are no sections included in the application that these individuals will need to complete.

Frequency: Annually.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average one to two hours per response.

Respondents: High School students, freshman and sophomore college students, teachers, principals, guidance counselors, and school administrators.

Estimated Number of Respondents: 600 (200 applications).

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 700 hours.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments may be sent to Jacqueline Padron, Program Director, Hispanic-Serving Institutions National Program, USDA Office of Advocacy and Outreach, 1400 Independence Avenue SW., Room 520-A, Mail Stop 0601, Washington, DC 20250, or via email at: hsinp@osec.usda.gov. All comments received will be available for public inspection during regular business hours at the same address.

All responses to this notice will be summarized and included in the request for OMB's approval.

All comments will become a matter of public record.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[B-36-2017]

Foreign-Trade Zone (FTZ) 64— Jacksonville, Florida; Notification of Proposed Production Activity; Hans- Mill Corporation; Subzone 64D; (Household Trash Cans and Plastic Storage Totes); Jacksonville, Florida

Hans-Mill Corporation (Hans-Mill), operator of Subzone 64D, submitted a notification of proposed production activity to the FTZ Board for its facility within Subzone 64D, in Jacksonville, Florida. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 10, 2017.

The facility is used for the production of household trash cans and plastic storage totes. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Hans-Mill from customs duty payments on the foreign-status materials/components used in export production (an estimated five percent of shipments). On its domestic sales, Hans-Mill would be able to choose the duty rates during customs entry procedures that apply to stainless steel/plastic trash cans and plastic storage totes, trash cans and liners (duty rates—2 or 3%) for the foreign-status materials/components noted below. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include pre-cut/pre-treated stainless steel sheets, plastic lids, plastic bases, pulp packaging material and polypropylene resin material (duty rates range from free to 6.5%). The request indicates that stainless steel sheets are subject to an antidumping/countervailing duty (AD/CVD) order. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD orders be admitted to the zone in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is July 12, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at *Diane.Finver@trade.gov* or (202) 482-1367.

Dated: May 26, 2017.

Elizabeth Whiteman,

Acting Executive Secretary.
