DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the

Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: Notification of Intent To Use Schedule III, IV, or V Opioid Drugs for the Maintenance and Detoxification Treatment of Opiate Addiction by a “Qualifying Other Practitioner”—(OMB No. 0930-0369)—Revision

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a revision from the Office of Management and Budget (OMB) for approval of the Notification of Intent to Use Schedule III, IV, or V Opioid Drugs for the Maintenance and Detoxification Treatment of Opiate Addiction by a “Qualifying Other Practitioner.” The Notification of Intent would allow SAMHSA to determine whether other practitioners are eligible to prescribe certain approved narcotic treatment medications for the maintenance or detoxification treatment of opioid addiction.

This Notification of Intent is a result of the Comprehensive Addiction and Recovery Act (Pub. L. 114-198), which was signed into law on July 22, 2016. The law establishes criteria for nurse practitioners (NPs) and physician assistants (PAs) to qualify for a waiver to prescribe covered medications. To be eligible for a waiver, the NP or PA must: Be licensed under State law to prescribe schedule III, IV, or V medications for the treatment of pain; fulfill qualification requirements in the law for training and experience; and fulfill qualification requirements in the law for appropriate supervision by a qualifying physician. SAMHSA has the responsibility to receive, review, approve, or deny waiver requests.

Practitioners who meet the statutory requirements will be eligible to prescribe only those opioid treatment medications that are controlled in Schedules III, IV, or V, under the Controlled Substance Act (CSA), that are specifically approved by the Food and Drug Administration (FDA) for the treatment of opioid addiction, and are not the subject of an “adverse determination.” The only medications that currently fulfill these requirements

are ones that contain the active ingredient buprenorphine.

Below are the following changes:

Address of Practice Location (NOI Item 2 and Instructions Section)

The newly revised instructions in Section 2 now acknowledge that practitioners may practice at multiple practice locations, but may only list a practice location address that matches their DEA registration practice site. Furthermore, the revised section provides a link where practitioners may add additional practice sites.

Use of Term of “Other Qualifying Practitioners” (See NOI Items 1, 2, 6, and 11)

The Statute section 823(g)(2)(B)(i) refers to both physicians and mid-level providers as “qualifying practitioners.” Therefore in order to avoid confusion and redundancy the revised NOI Instructions Section refers to “other qualifying practitioners,” simply as “practitioners.”

Use of Term of “Supervisory Physician or Collaborative Physician” (NOI Item 8)

The third and fourth criteria in this section created confusion regarding the relationship with a qualifying physician since providers are required to be supervised by OR work with a collaborative physician, but not both. Therefore, the word “and” was replaced by “or”.

Patient Limits (Item 6: Purpose of Notification)

Language was added allowing practitioners who have treated 30 patients for at least one year to increase their patient limit to 100. This second notification to treat 100 patients was omitted in the original NOI form.

Use of Term of “Qualifying Physician” (NOI Item 8)

The Controlled Substance Act (CSA) requires that NPs and PAs be supervised (or collaborate with) a “qualifying physician” when required by state law to work with a supervising physician (see 21 U.S.C. 823(g)(2)(G)(iv)(III)). SAMHSA added a footnote with a definition of the term “qualifying physician” means in the context of the

NOI. The term “qualifying physician” is specifically defined under 21 U.S.C. 823(g)(2)(G)(ii).

Certification of Qualifying Criteria (NOI Item 8)

The law specifically authorizes NPs and PAs as eligible to apply to be a “Qualifying Other Practitioner.” However, the proposed Notification of Intent form asks applicants to certify that they are either an “advanced practice nurse or physician assistant.” This difference in terminology was considered confusing to potential applicants. SAMHSA revised the first attestation in Certification of Qualifying Criteria to read “I certify that I am either a nurse practitioner or physician assistant who satisfies the definition of a ‘qualifying other practitioner.’”

Identification of Training Providers (NOI Item 8)

The previous NOI required that the practitioner to write-in the name of training provider(s) name(s). The revised NOI allows practitioners to select all applicable training providers from a drop down list.

Certification of Capacity (NOI Item 9)

The second attestation in this section was missing a verb. SAMHSA corrected this error to reflect the statutory language requiring qualifying practitioners to attest to the capacity to provide *directly or by referral*.

Certification of Maximum Patient Load (NOI Item 10)

It was clarified that the second option regarding increasing patient load to 100 refers to a second notifications (as specified in the analogous NOI form for physicians).

Privacy Act Information

This section noted that medical specialty societies be used to verify practitioner credentials. The revised NOI replaced the words “medical specialty societies” with “relevant licensing boards to verify practitioners’ qualifications.”

The following table is the estimated hour burden:

Purpose of submission	Number of respondents	Responses/respondent	Burden hours	Total burden hours
Notification of Intent for Qualifying Other Practitioner to Use Schedule III, IV, or V Opioid Drugs for the Maintenance and Detoxification Treatment of Opiate Addiction by a “Qualifying Other Practitioner” under 21 U.S.C. 823(g)(2)—Nurse Practitioners	816	1	.066	54

Total	1,406	93

Written comments and recommendations concerning the proposed information collection should be sent by July 6, 2017 to the SAMHSA Desk Officer at the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). To ensure timely receipt of comments, and to avoid potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, commenters are encouraged to submit their comments to OMB via email to: *OIRA_Submission@omb.eop.gov*. Although commenters are encouraged to send their comments via email, commenters may also fax their comments to: 202-395-7285. Commenters may also mail them to: Office of Management and Budget, Office of Information and Regulatory Affairs, New Executive Office Building, Room 10102, Washington, DC 20503.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5858-N-07]

Solicitation of Appointment Nominations to the Housing Counseling Federal Advisory Committee

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, Department of Housing and Urban Development (HUD).

ACTION: Notice of Solicitation of Appointment Nominations.

SUMMARY: The Department of Housing and Urban Development (HUD) established the Housing Counseling Federal Advisory Committee (HCFAC) on April 14, 2015. This notice invites the public to nominate individuals to fill one vacancy representing the real estate industry for a three-year term.

DATES: Please submit nominations as soon as possible, but no later than June 21, 2017.

ADDRESSES: Nominations must be in writing and submitted via email to *HCFAC.application@hud.gov*. Individuals that do not have internet access may submit nominations to Marjorie George, Housing Program Technical Specialist, U.S. Department of Housing and Urban Development, Office of Housing Counseling, Office of Outreach and Capacity Building, 200 Jefferson Avenue, Suite 300, Memphis, TN 38103.

FOR FURTHER INFORMATION CONTACT: Marjorie George, Housing Program Technical Specialist, Office of Housing Counseling, U.S. Department of Housing and Urban Development, 200 Jefferson Avenue, Suite 300, Memphis, TN 38103; telephone number (901) 544-4228 (this is not a toll-free number). Persons who have difficulty hearing or speaking may access this number via TTY by calling the toll-free Federal Relay Service at (800) 877-8339 (toll-free number). Individuals with questions may also email *HCFAC.application@hud.gov* and in the subject line write "HCFAC application question."

SUPPLEMENTARY INFORMATION:

I. Background and Authority

The Housing Counseling Federal Advisory Committee (HCFAC) is congressionally mandated to provide advice to the Office of Housing Counseling (OHC) (Pub. L. 111-203). The HCFAC provides the OHC valuable advice regarding its mission to provide individuals and families with the knowledge they need to obtain, sustain, and improve their housing through a strong national network of HUD-approved housing counseling agencies and HUD-certified counselors. The HCFAC, however, has no role in reviewing or awarding of OHC housing counseling grants and procurement contracts. The HCFAC is subject to the requirements of the Federal Advisory Committee Act (5 U.S.C. Appendix), 41 CFR parts 101-6 and 102-3, and Presidential Memorandum "Final Guidance on Appointments of Lobbyists to Federal Boards and Commissions," dated June 18, 2010, along with any relevant guidance published in the **Federal Register** or otherwise issued by

the Office of Management and Budget (OMB).¹

The HCFAC shall consist of not more than 12 individuals appointed by the Secretary. The membership will equally represent the mortgage industry, real estate industry, consumers, and HUD-approved housing counseling agencies. Each member shall be appointed in his or her individual capacity for a term of 3 years and may be reappointed at the discretion of the Secretary. Of the 12 members first appointed to the HCFAC in 2016, 4 were appointed for an initial term of 1 year, 4 were appointed for a term of 2 years, and 4 were appointed for a term of 3 years. The initial 12 appointments were made by the Secretary on June 1, 2016, and the one-year appointees terms will expire on May 31, 2017. This notice indicates the Secretary's decision to reappoint to new three-year terms the original appointees for consumer, mortgage, and housing counseling and to solicit applications to address a vacancy for real estate due to a withdrawal from consideration.

III. Nominations for the Housing Counseling Federal Advisory Committee

HUD is seeking nominations for an individual whose experience is representative of the real estate industry to fill one vacancy. Individuals may nominate themselves. Nominees must be U.S. citizens, and cannot be employees of the U.S. Government. All nominees will be serving in their "individual capacity" and not in a "representative capacity," therefore, no Federally-registered lobbyists may serve on the HCFAC.² Individual capacity, as clarified by OMB, refers to individuals who are appointed to committees to
