BILLING CODE 7020-02-P

2017. The United States is now extending the comment period as set forth below.

This Consent Decree resolves disputes against Westward Seafoods, Inc. with respect to violations of the Clean Air Act at Westward's seafood processing facility in Dutch Harbor, Alaska. Coincidental with the entry of the Consent Decree we are also resolving claims for stipulated penalties for violations of a Consent Decree entered into with Westward regarding this facility in 2010 involving the Facility ("2010 Decree"). The same set of facts give rise to the violations of the CAA and the stipulated penalty provisions of the 2010 Decree.

The Consent Decree requires a penalty of \$570,000 (\$228,000 to the state of Alaska and \$342,000 to the United States). Moreover, Westward has to pay \$730,000 to resolve the Stipulated Penalty claims. Hence, Westward will pay a total of \$1,300,000 in penalties. In addition, the Consent Decree requires that: (1) Westward undertake injunctive relief relating to improved operation and maintenance procedures and employee training focused on the key power generators; (2) Westward be subject to Third Party Verification regarding compliance with the Decree and with Westward's Clean Air Act permit; and (3) Westward implement two mitigation projects.
