SUPPLEMENTARY INFORMATION: In the advance notice of proposed rulemaking with comment that appeared in the **Federal Register** on May 4, 2017 entitled, "Medicare Program; Prospective Payment System and Consolidated Billing for Skilled Nursing Facilities: Revisions to Case-mix Methodology" (82 FR 20980) (the ANPRM), we solicited public comments on potential options we may consider for revising certain aspects of the existing skilled nursing facility (SNF) prospective payment system (PPS) payment methodology to improve its accuracy, based on the results of our SNF Payment Models Research (SNF PMR) project. In particular, in the ANPRM, we sought comments on the possibility of proposing to replace the SNF PPS' existing case-mix classification model, the Resource Utilization Groups, Version 4 (RUG-IV), with a new model, the Resident Classification System, Version I (RCS-I). We also discussed options for how such a change could be implemented, as well

as a number of other policy changes we may consider proposing to complement implementation of RCS-I.

We have received an inquiry from professional associations and national industry organizations regarding the 60-day comment period for the ANPRM. These organizations stated that by providing all stakeholders additional time to review and comment upon the ANPRM, they will be able to conduct a more comprehensive review of the refinements we are considering to the SNF PPS payment methodology and provide more meaningful comments. In order to maximize the opportunity for the public to provide meaningful input to CMS, we believe that it is important to allow additional time for the public to prepare comments on the ANPRM. In addition, we believe that granting an extension to the public comment period in this instance would further our overall objective to obtain public input on the potential refinements to the SNF PPS we are considering. Therefore, we are extending the comment period for the ANPRM for an additional 60 days. This document announces the extension of the public comment period for the ANPRM until August 25, 2017.

Dated: June 7, 2017.

Administrator, Centers for Medicare & Medicaid Services.
