#### Multilayered Wood Flooring From the People's Republic of China: Final Clarification of the Scope of the Antidumping and Countervailing Duty Orders

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On April 19, 2017, the Department of Commerce (Department) published a proposed clarification of the scope of the antidumping and countervailing duty orders on multilayered wood flooring (wood flooring) from the People's Republic of China (PRC). Based on comments from interested parties, the Department has further clarified the scope of this order.

**DATES:** Effective June 19, 2017.

**FOR FURTHER INFORMATION CONTACT:** Jesus Saenz or Michael Bowen, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: 202–482–8184 or 202–482–0768, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

The regulations governing the Department's scope determinations are found at 19 CFR 351.225. In past scope determinations,<sup>1</sup> in accordance with 19 CFR 351.225(k)(1), the Department has relied on the scope language, along with descriptions of the merchandise contained in the petitions, the initial investigations, prior scope determinations, and rulings by the International Trade Commission (ITC) to determine that two-layer wood flooring products are outside the scope of the Orders.<sup>2</sup>

<sup>1</sup> See e.g., Department Memorandum, “Final Scope Ruling on the Antidumping and Countervailing Duty Orders on Multilayered Wood Flooring from the People's Republic of China: Request by Dunhua Shengda Wood Industry Co., Ltd., dated December 14, 2016; and Department Memorandum, “Final Scope Ruling on the Antidumping and Countervailing Duty Orders on Multilayered Wood Flooring from the People's Republic of China: Request by Alston, Inc.,” dated March 12, 2013.

<sup>2</sup> See Multilayered Wood Flooring from the People's Republic of China: Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order, 76 FR 76690 (December 8, 2011) and Multilayered Wood Flooring from the People's Republic of China: Countervailing Duty Order, 76 FR 76693 (December 8, 2011), as amended, Multilayered Wood Flooring from the

On April 19, 2017, the Department published the *Proposed Scope Clarification*<sup>3</sup> to provide notice that the Department intends to clarify the scope of the Orders due to the large number of scope ruling requests concerning wood flooring products consisting of only two layers. Interested parties were invited to comment on the intended clarification.

#### Comments on the Proposed Scope Clarification

The Department received two comment submissions from two groups of interested parties during the comment period.<sup>4</sup> The first group agrees that the Department has received a large number of scope ruling requests concerning two-layer wood flooring products, and notes that the requests are being filed not because the order language is ambiguous, but, rather, because of concern that U.S. Customs and Border Protection (CBP) officials may not always distinguish between two-ply and subject merchandise.<sup>5</sup> This group, therefore, does not believe that the *Proposed Scope Clarification* will necessarily eliminate the number of scope ruling requests received by the Department, and proposes, as an alternative, that the Department work more closely with CBP to ensure CBP knows the difference between subject and non-subject merchandise.<sup>6</sup> Nonetheless, to the extent the clarification language is merely meant to reiterate the scope rulings that have already been issued, and is not intended to change the scope of the Orders, this group does not object.<sup>7</sup>

The second group agrees with the *Proposed Scope Clarification* and deems the language necessary to reflect more definitively that two-layer wood flooring products are excluded from the scope of the Orders, as it will expedite
