Proposed Projects: Runaway and Homeless Youth—Homeless

Management Information System (RHY–HMIS)

Description: The Runaway and Homeless Youth (RHY) Act, as amended by Public Law 106–71 (42 U.S.C. 5701 *et seq.*), mandates that the Department of Health and Human Services (HHS) report regularly to Congress on the status of HHS-funded programs serving runaway and homeless youth. Such reporting is similarly mandated by the Government Performance and Results Act Modernization Act of 2010. Organizations funded under the Runaway and Homeless Youth program are required by statute (42 U.S.C. 5712, 42 U.S.C. 5714–2) to meet certain data collection and reporting requirements. These requirements include maintenance of client statistical records on the number and the characteristics of

the runaway and homeless youth, and youth at risk of family separation, who participate in the project, and the services provided to such youth by the project.

Respondents: The respondents are the youth who are recipients of services from RHY program grants, which are made up of States, localities, private entities and coordinated networks of such entities. Typical respondents are the youth that participate in the Basic Center, Transitional Living/Maternity Group Home, and Street Outreach programs.

Proposed Information Collection Activity; Comment Request

Title: State Plan for Grants to States for Refugee Resettlement.

OMB No.: 0970–0351.

Description: A State Plan is required by 8 U.S.C. 1522 of the Immigration and Nationality Act (the Act) [Title IV, Sec. 412 of the Act] for each State agency requesting Federal funding for refugee resettlement under 8 U.S.C. 524 [Title

IV, Sec. 414 of the Act], including Refugee Cash and Medical Assistance, Unaccompanied Minor Refugee Program, Refugee Social Services, and Targeted Assistance program funding. The State Plan is a comprehensive narrative description of the nature and scope of a States programs and provides assurances that the programs will be administered in conformity with the specific requirements stipulated in 45 CFR 400.4–400.9. The State Plan must include all applicable State procedures, designations, and certifications for each requirement as well as supporting documentation.

The plan assures ORR that the State is capable of administering refugee assistance and coordinating employment and other social services for eligible caseloads in conformity with specific requirements. ORR proposes organizational and formatting changes to make the checklist more accessible to the user. Additionally, ORR proposes streamlining language to make the checklist easier to read. These proposed changes include technical corrections to regulatory citations. ORR proposes removing a number of requirements, including an assurance regarding the

inclusion of refugee resettlement programs in pandemic influenza emergency plans and a basic description of providers conducting medical screening. ORR proposes to remove a requirement that all states describe a plan for the care, supervision of, and legal responsibility for, refugee children who become unaccompanied in the state. ORR also proposes to remove requirements specific to the Cuban/Haitian entrants and replace them with an assurance that states will provide all ORR-eligible populations with the benefits and services described in the State Plan.

ORR proposes adding language to clarify the following requirements related to the Unaccompanied Refugee Minors (URM) program: State policy on education and training vouchers, medical coverage, the location of URM providers, monitoring procedures, the process for establishing legal responsibility, and information about sub-contractors.

States must use a pre-print format for required components of State Plans for ORR-funded refugee resettlement services and benefits prepared by the Office of Refugee Resettlement (ORR) of

the Administration for Children and Families (ACF).

States must submit by August 15 each year new or amended State Plan for the next Federal fiscal year. For previously approved plan, States must certify no later than October 31 each year that the approved State plan is current and continues in effect.

Respondents: State Agencies, Replacement Designees under 45 CFR 400.301(c), and Wilson-Fish Grantees (State 2 Agencies) administering or supervising the administration of programs under Title IV of the Act.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Title IV State Plan	55	1	15	750

Estimated Total Annual Burden Hours: 750.
