SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collections of information:

1. *Title:* Recordkeeping and Disclosure Requirements in Connection with Regulation M (Consumer Leasing).
OMB Number: 3064–0083.
Form Number: None.

Affected Public: State nonmember banks and state savings associations engaging in consumer leasing.

Burden Estimate:

| | Type of burden | Estimated number of respondents | Estimated number of responses | Estimated time per response | Frequency of response | Total annual estimated burden |
|---|-------------------------|---------------------------------|-------------------------------|-----------------------------|-----------------------|-------------------------------|
| Recordkeeping Requirements in Connection with Regulation M (Consumer Leasing). | Recordkeeping ... | 52 | 100 | 0.375 | On Occasion | 1,950 |
| Third-Party Disclosure Requirements in Connection with Regulation M (Consumer Leasing). | Third-Party Disclosure. | 52 | 100 | 0.375 | On Occasion | 1,950 |
| Total hourly burden | | | | | | 3,900 |

General Description of Collection: Regulation M (12 CFR 1013), issued by the Bureau of Consumer Financial Protection, implements the consumer leasing provisions of the Truth in Lending Act. Regulation M requires lessors of personal property to provide consumers with meaningful disclosures about the costs and terms of the leases for personal property. Lessors are required to retain evidence of compliance with Regulation M for twenty-four months.

There is no change in the method or substance of the collection. The overall reduction in burden hours is a result of (1) economic fluctuation and (2) an updated estimate (based on historical information) of state nonmember banks and state savings associations engaged in consumer leasing. In particular, the number of respondents has decreased while the hours per response remain the same.

2. *Title:* Covered Financial Company Asset Purchaser Eligibility Certification.
OMB Number: 3064–0194.

Form Number: Covered Financial Company Asset Sales Purchaser Eligibility Certification—7300/10.

Affected Public: Any individual or entity that is a potential purchaser of assets from (1) the FDIC as receiver for a Covered Financial Company (“CFC”); or (2) a bridge financial company (“BFC”) which requires the approval of the FDIC, as receiver for the predecessor CFC and as the sole shareholder of the BFC (e.g., the BFC’s sale of a significant business line).

Burden Estimate:

| | Type of burden | Estimated number of respondents | Estimated number of responses | Estimated time per response | Frequency of response | Total annual estimated burden |
|--|-----------------|---------------------------------|-------------------------------|-----------------------------|-----------------------|-------------------------------|
| Covered Financial Company Asset Sales Purchaser Eligibility Certification. | Reporting | 10 | 1 | .5 | Annual | 5 |
| Total hourly burden | | | | | | 5 |

General Description of Collection: Assets held by the FDIC in the course of liquidating any covered financial company must not be sold to persons who contributed to the demise of a covered financial company in specified ways (e.g., individuals who profited or engaged in wrongdoing at the expense of the failed institution, or seriously mismanaged the failed institution). 12 CFR part 380 requires prospective purchasers to complete and submit a Purchaser Eligibility Certification (“PEC”) to the FDIC. The PEC is a self-certification by a prospective purchaser that it does not fall into any of the categories of individuals or entities that are prohibited by statute or regulation from purchasing the assets of covered financial companies. The PEC will be required in connection with the sale of assets by the FDIC, as receiver for a CFC, or the sale of assets by a BFC which requires the approval of the FDIC, as

receiver for the predecessor CFC and as the sole shareholder of the BFC.

There is no change in the method or substance of the collection. The number of respondents and the hours per response remain the same.

Request for Comment

Comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collections of information on respondents, including through the use of automated collection techniques or other forms of information

technology. All comments will become a matter of public record.

Dated at Washington, DC, this 21st day of June, 2017.

Federal Deposit Insurance Corporation.

Executive Secretary.
