ENVIRONMENTAL PROTECTION AGENCY

[FRL-9963-96-Region 5]

Notification of a Public Teleconference of the Great Lakes Advisory Board

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) announces a public teleconference of the Great Lakes Advisory Board (the Board) to discuss the Board's specific recommendations in response to charge questions from the federal Interagency Task Force on the development of the Great Lakes Restoration Initiative Action Plan 3.

DATES: The teleconference will be held on Monday, July 17, 2017 from 2 p.m. to 4 p.m. Central Time, 3 p.m. to 5 p.m. Eastern Time. An opportunity will be provided to the public to comment.

ADDRESSES: The public teleconference will be conducted by telephone only. The teleconference number is 866-299-3188 and the teleconference code is 120 3348.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information regarding this teleconference may contact Rita Cestaric, Designated Federal Officer (DFO), by email at Cestaric.Rita@epa.gov. General information about the Board can be found at <http://glri.us/advisory/index.html>.

SUPPLEMENTARY INFORMATION:

Background: The Board is a federal advisory committee chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. EPA established the Board in 2013 to provide independent advice to the EPA Administrator in his capacity as Chair of

the federal Great Lakes Interagency Task Force (IATF). The Board complies with the provisions of FACA.

The Board held a public meeting on May 30, 2017 to discuss its draft responses to charge questions on the development of GLRI Action Plan 3. The Board expects to finalize its recommendations at the July 17, 2017 teleconference. Additional information, including the charge questions and draft responses, can be found at <https://www.glri.us/public.html>.

Availability of Teleconference Materials: The agenda and other materials in support of the teleconference will be available before the teleconference at <https://www.glri.us/public.html>.

Procedures for Providing Public Input: Federal advisory committees provide independent advice to federal agencies. Members of the public can submit relevant comments for consideration by the Board. Input from the public to the committees will have the most impact if it provides specific information for consideration. Members of the public wishing to provide comments should contact the DFO directly.

Oral Statements: In general, individuals or groups requesting an oral presentation at this public teleconference will be limited to three minutes per speaker, subject to the number of people wanting to comment. Interested parties should contact the DFO in writing (preferably via email) at the contact information noted above by July 14, 2017 to be placed on the list of public speakers for the teleconference.

Written Statements: Written statements must be received by July 14, 2017 so that the information may be made available to the committees for consideration. Written statements should be supplied to the DFO in the following formats: One hard copy with original signature and one electronic copy via email. Commenters are requested to provide two versions of each document submitted: One each with and without signatures because only documents without signatures may be published on the GLRI Web page.

Accessibility: For information on access or services for individuals with disabilities, please contact the DFO at the email address noted above, preferably at least seven days prior to the teleconference, to give EPA as much time as possible to process your request.

Dated: June 12, 2017.

Tinka G. Hyde,

Director, Great Lakes National Program Office.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0678]

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before August 28, 2017. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email: PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the PRA, 44 U.S.C. 3501-3520, the FCC

invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control No.: 3060-0678.

Title: Part 25 of the Federal Communications Commission's Rules Governing the Licensing of, and Spectrum Usage by, Commercial Earth Stations and Space Stations.

Form Nos.: FCC Form 312; Schedule A; Schedule B; Schedule S; FCC Form 312-EZ; FCC Form 312-R.

Type of Review: Revision of a currently approved information collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 4,924 respondents; 4,981 responses.

Estimated Time per Response: .5–80 hours per response.

Frequency of Response: On occasion, one time, and annual reporting requirements; third-party disclosure requirement; recordkeeping requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in 47 U.S.C. 154, 301, 302, 303, 307, 309, 310, 319, 332, 605, and 721.

Total Annual Burden: 34,140 hours.

Annual Cost Burden: \$10,625,120.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: In general, there is no need for confidentiality with this collection of information. Certain information collected regarding international coordination of satellite systems is not routinely available for public inspection pursuant to 5 U.S.C. 552(b) and 47 CFR 0.457(d)(vii).

Needs and Uses: The Federal Communications Commission requests that the Office of Management and Budget (OMB) approve a revision of the information collection titled "Part 25 of the Federal Communications

Commission's Rules Governing the Licensing of, and Spectrum Usage By, Commercial Earth Stations and Space Stations" under OMB Control No. 3060-0678, as a result of a recent rulemaking discussed below.

On April 25, 2017, the Commission released a Third Report and Order in IB Docket No. 06-123, FCC 17-49, titled "Establishment of Policies and Service Rules for the Broadcasting-Satellite Service at the 17.3–17.7 GHz Frequency Band and at the 17.7–17.8 GHz Frequency Band Internationally, and at the 24.75–25.25 GHz Frequency Band for Fixed Satellite Services Providing Feeder Links to the Broadcasting-Satellite Service and for the Satellite Services Operating Bi-directionally in the 17.3–17.8 GHz Frequency Band." In the Report and Order, the Commission adopted rules requiring applicants for new licenses for Digital Broadcasting Satellite Service (DBS) feeder-link earth stations in the 17.3–17.8 GHz band to file with the Commission coordination agreements with affected Broadcasting-Satellite Service (BSS) licensees prior to licensing, and to provide technical information on their proposed feeder-link earth stations to a third-party coordinator to facilitate the coordination process (*see* 47 CFR 25.203(m)). The changes adopted in the Report and Order will result in a net annualized increase of 41 burden hours to applicants and licensees under Part 25. This submission amends the previous submission to the OMB of July 1, 2014, to reflect these changes.

Federal Communications Commission.

Marlene H. Dortch,

Secretary, Office of the Secretary.
