

applications and documentation provided by the applicants. If an applicant requests NMFS, in writing, to use NMFS longline logbook data as evidence of documented participation, the applicant must specify the qualifying vessel, official number, and month and year of the logbook records (NMFS will not conduct an unlimited search for records).

Applicants with the earliest documented participation in the fishery on a Class A sized vessel will receive the highest priorities for obtaining permits in any size class, followed by applicants with the earliest documented participation in Classes B, C, and D, in that order. In the event of a tie in the priority ranking between two or more applicants, NMFS will rank higher the applicant whose second documented participation is earlier. Detailed criteria for prioritization of eligible applicants are in the regulations at 50 CFR 665.816(g).

NMFS must receive applications by November 20, 2017 to be considered for a permit (see **ADDRESSES**). NMFS will not accept applications received after that date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: July 18, 2017.
