#### National School Lunch, Special Milk, and School Breakfast Programs, National Average Payments/Maximum Reimbursement Rates

**AGENCY:** Food and Nutrition Service, USDA

**ACTION:** Notice.

**SUMMARY:** This Notice announces the annual adjustments to the “national average payments,” the amount of money the Federal Government provides States for lunches, afterschool snacks, and breakfasts served to children participating in the National School Lunch and School Breakfast Programs; to the “maximum reimbursement rates,” the maximum per lunch rate from Federal funds that a State can provide a school food authority for lunches served to children participating in the National School Lunch Program; and to the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution that participates in the Special Milk Program for Children. The payments and rates are prescribed on an annual basis each July. The annual payments and rates adjustments for the National School Lunch and School Breakfast Programs reflect changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers. The annual rate adjustment for the Special Milk Program reflects changes in the Producer Price Index for Fluid Milk Products.

**DATES:** These rates are effective from July 1, 2017 through June 30, 2018.

#### FOR FURTHER INFORMATION CONTACT:

Jessica Saracino, Branch Chief, Program Monitoring and Operational Support Division, Child Nutrition Programs, Food and Nutrition Service, U.S. Department of Agriculture, 3101 Park Center Drive, Room 640, Alexandria, VA 22302–1594.

#### SUPPLEMENTARY INFORMATION:

##### Background

*Special Milk Program for Children—*Pursuant to section 3 of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1772), the Department announces the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution that participates in the Special Milk Program for Children. This rate is adjusted annually to reflect changes in the Producer Price Index for Fluid Milk Products, published by the Bureau of Labor Statistics of the Department of Labor.

For the period July 1, 2017 through June 30, 2018, the rate of reimbursement for a half-pint of milk served to a non-needy child in a school or institution that participates in the Special Milk Program is 20.75 cents. This reflects an increase of 1 cent from the School Year (SY) 2016–17 level, based on the 4.21 percent increase in the Producer Price Index for Fluid Milk Products from May 2016 to May 2017 (from a level of 216.1 in May 2016, as previously published in the **Federal Register** to 225.2 in May 2017).

As a reminder, schools or institutions with pricing programs that elect to serve milk free to eligible children continue to receive the average cost of a half-pint of milk (the total cost of all milk purchased during the claim period divided by the total number of purchased half-pints) for each half-pint served to an eligible child.

*National School Lunch and School Breakfast Programs—*Pursuant to sections 11 and 17A of the Richard B. Russell National School Lunch Act, (42 U.S.C. 1759a and 1766a), and section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773), the Department annually announces the adjustments to the National Average Payment Factors and to the maximum Federal reimbursement rates for lunches and afterschool snacks served to children participating in the National School Lunch Program and breakfasts served to children participating in the School Breakfast Program. Adjustments are prescribed each July 1, based on changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor. The changes in the national

average payment rates for schools and residential child care institutions for the period July 1, 2017 through June 30, 2018 reflect a 2.31 percent increase in the Consumer Price Index for All Urban Consumers during the 12-month period May 2016 to May 2017 (from a level of 262.074 in May 2016, as previously published in the **Federal Register** to 268.128 in May 2017). Adjustments to the national average payment rates for all lunches served under the National School Lunch Program, breakfasts served under the School Breakfast Program, and afterschool snacks served under the National School Lunch Program are rounded down to the nearest whole cent.

*Lunch Payment Levels—*Section 4 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753) provides general cash for food assistance payments to States to assist schools in purchasing food. The Richard B. Russell National School Lunch Act provides two different section 4 payment levels for lunches served under the National School Lunch Program. The lower payment level applies to lunches served by school food authorities in which less than 60 percent of the lunches served in the school lunch program during the second preceding school year were served free or at a reduced price. The higher payment level applies to lunches served by school food authorities in which 60 percent or more of the lunches served during the second preceding school year were served free or at a reduced price.

To supplement these section 4 payments, section 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1759(a)) provides special cash assistance payments to aid schools in providing free and reduced price lunches. The section 11 National Average Payment Factor for each reduced price lunch served is set at 40 cents less than the factor for each free lunch.

As authorized under sections 8 and 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1757 and 1759a), maximum reimbursement rates for each type of lunch are prescribed by the Department in this Notice. These maximum rates are to ensure equitable disbursement of Federal funds to school food authorities.

*Section 201 of the Healthy, Hunger-Free Kids Act of 2010—*Section 201 of the Healthy, Hunger-Free Kids Act of 2010 made significant changes to the Richard B. Russell National School Lunch Act. On January 3, 2014, the final rule entitled, “Certification of Compliance With Meal Requirements for the National School Lunch Program

Under the Healthy, Hunger-Free Kids Act of 2010” (79 FR 325), was published and provides eligible school food authorities with performance-based cash reimbursement in addition to the general and special cash assistance described above. The final rule requires that school food authorities be certified by the State agency as being in compliance with the updated meal pattern and nutrition standard requirements set forth in amendments to 7 CFR parts 210 and 220 on January 26, 2012, in the final rule entitled “Nutrition Standards in the National School Lunch and School Breakfast Programs” (77 FR 4088). Certified school food authorities are eligible to receive performance-based cash assistance for each reimbursable lunch served (an additional six cents per lunch available beginning October 1, 2012, and adjusted annually thereafter).

**Afterschool Snack Payments in Afterschool Care Programs**—Section 17A of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766a) establishes National Average Payments for free, reduced price and paid afterschool snacks as part of the National School Lunch Program.

**Breakfast Payment Factors**—Section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) establishes National Average Payment Factors for free, reduced price, and paid breakfasts served under the School Breakfast Program and additional payments for free and reduced price breakfasts served in schools determined to be in “severe need” because they serve a high percentage of needy children.

#### Agency Information Collection

#### Activities: Proposed Collection; Comment Request—Supplemental Nutrition Assistance Program Education (SNAP-Ed) Toolkit Intervention Submission Form and Scoring Tool

**AGENCY:** Food and Nutrition Service (FNS), USDA.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, this notice invites the general public and other public agencies to comment on a proposed information collection, which will use two new forms.

The purpose of the SNAP-Ed Toolkit Intervention Submission Form and Scoring Tool is to provide a uniform and transparent method for submission, review, and scoring of nutrition education, physical activity promotion, and obesity prevention interventions for possible inclusion in the *SNAP-Ed Strategies and Interventions: An Obesity Prevention Toolkit for States* (Toolkit). The Toolkit was developed to assist State agencies in locating evidence-based interventions for their implementation of SNAP-Ed

programming. The Food and Nutrition Act of 2008, as amended (The Act) § 28(c)(3)(A) requires that States use evidence-based interventions. These forms will allow FNS to increase the selection of interventions available in the Toolkit, increase innovation in service delivery using interventions which reflect up-to-date research, and respond to intervention developer requests to be included in the Toolkit.

**DATES:** Written comments must be submitted on or before September 26, 2017.

**ADDRESSES:** Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burden hours, including the validity of the methodology and assumptions that were used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques or other forms of information technology.

Comments may be sent to Lisa Mays, State Administration Branch, Program Accountability and Administration Division, Supplemental Nutrition Assistance Program, U.S. Department of Agriculture, Food and Nutrition Service, 3101 Park Center Drive, Room 821, Alexandria, VA 22302. Comments may also be submitted via fax to the attention of Lisa Mays at 703-457-7762, or via email to [SNAP-Ed@fns.usda.gov](mailto:SNAP-Ed@fns.usda.gov). Comments will also be accepted through the Federal eRulemaking Portal. Go to <http://www.regulations.gov> and follow the online instructions for submitting comments electronically.

All written comments will be open for public inspection at the office of the Food and Nutrition Service during regular business hours (8:30 a.m. to 5:00 p.m. Monday through Friday) at 3101 Park Center Drive, Room 821, Alexandria, Virginia 22302.

All responses to this notice will be summarized and included in the request for the Office of Management and Budget (OMB) approval. All comments will also be a matter of public record.

#### **CONTACT FOR FURTHER INFORMATION:**

Requests for additional information should be directed to Lisa Mays at [SNAP-Ed@fns.usda.gov](mailto:SNAP-Ed@fns.usda.gov).

#### **SUPPLEMENTARY INFORMATION:**

*Title:* SNAP Ed Toolkit Intervention Scoring Tool and Submission Form.

*OMB Number:* 0584-NEW.

*Form Numbers:* FNS-885 and FNS-886.

*Expiration Date:* TBD.

*Type of Request:* New information collection.

**Abstract:** SNAP-Ed State and Implementing agencies are able to identify and choose evidence-based interventions using the Toolkit. The Toolkit was developed collaboratively by FNS National and Regional Office SNAP-Ed staff, the National Collaborative on Childhood Obesity Reduction (NCCOR), and the Association of SNAP Nutrition Education Administrators (ASNNA). Currently, more than 80 interventions are available in the Toolkit (<https://snapedtoolkit.org/>). This new data collection for additional interventions to be reviewed for inclusion in the Toolkit is necessary to:

- Increase the selection available to agencies to allow them to find interventions that fit their specific needs.
- Increase innovation in service delivery by encouraging adoption of interventions which reflect the most up-to-date research of nutrition education, physical activity, and obesity prevention behavior change.
- Allow FNS to respond to requests by intervention developers to be included in the Toolkit with a clear and transparent review process and criteria for inclusion.

The Food and Nutrition Act of 2008, as amended (The Act) § 28(c)(3)(A) states that State agencies “may use funds provided under this section for any evidence-based allowable use of funds” including “(i) individual and group-based nutrition education, health promotion, and intervention strategies”. 7 CFR 272.2(2)(d) also states “SNAP-Ed activities must include evidence-based activities using one or more of these approaches: Individual or group-based nutrition education, health promotion, and intervention strategies; comprehensive, multi-level interventions at multiple complementary organizational and institutional levels; community and public health approaches to improve nutrition”. The Intervention Submission Form (FNS 886) and Scoring Tool (FNS 885) allows for interventions to be assessed to determine if they are both evidence-based and use one of the approaches described.

The Intervention Submission Form will be used by intervention developers (submitters) to provide information about the intervention they are submitting for inclusion in the Toolkit. Information requested includes
