Title: Distilled Spirits Plants—Notices of Alternations and Changes in Production Status, and Alternating Premises Records.

OMB Control Number: 1513–0044.

Type of Review: Revision of a currently approved collection.

Abstract: Under the Internal Revenue Code (IRC) at 26 U.S.C. 5178(a), a distilled spirits plant (DSP) is a delineated place on which only certain authorized activities may be conducted. However, under section 5178(b), the Secretary of the Treasury may authorize other businesses on a DSP's premises upon application under certain circumstances. Also, under the IRC at 26 U.S.C. 5221, DSP proprietors are required give written notification, in the form and manner prescribed by regulation, when they begin, suspend, or resume production of spirits. In addition, the IRC at 26 U.S.C. 5555 requires those liable for any tax imposed by chapter 51 of the IRC to keep such records, submit such returns and statements, and comply with such rules and regulations as the Secretary may prescribe. Under these authorities, TTB has issued regulations in 27 CFR part 19 requiring DSP proprietors to provide written notification regarding alternations of DSPs between proprietors or for customs purposes, and regarding changes to the production status of spirits. TTB also has issued regulations requiring DSP proprietors to keep alternating premises records when alternating operations at DSPs, including with an adjacent bonded wine cellar, taxpaid wine bottling house or brewery, as a manufacturer of eligible flavors, or as general premises.

Title: Special Tax “Renewal” Registration and Return/Special Tax Location Registration Listing.

OMB Control Number: 1513–0113.

Type of Review: Revision of a currently approved collection.

Abstract: The Internal Revenue Code at 26 U.S.C. 5731 and 5732 requires manufacturers of tobacco products, manufacturers of cigarette papers and tubes, and export warehouse proprietors

to pay an annual special (occupational) tax for each such premises that they operate. The IRC at 26 U.S.C. 5732 requires such taxes to be paid on the basis on a return under regulations issued by the Secretary of the Treasury. Form TTB F 5630.5R, which TTB sends out annually to tobacco industry members that have previously paid the special tax, meets this purpose. Use of TTB F 5630.5R protects the revenue by facilitating the registration of premises subject to special tax and the timely payment of that tax by the businesses subject to it. The information collected on the form is essential to TTB's collecting, processing, and accounting for these special taxes.

Title: Records to Support Tax Free and Tax Overpayment Sales of Firearms and Ammunition.

OMB Control Number: 1513–0128.

Type of Review: Extension without change of a currently approved collection.

Abstract: The Internal Revenue Code (IRC) at 26 U.S.C. 4181 imposes a tax on the sale of firearms and ammunition. However, under the IRC at 26 U.S.C. 4221(a), certain sales may be made tax-free, including sales made for further manufacture, export, or use as supplies on vessels or aircraft, and sales made to a State or local government or to a nonprofit education organization for their exclusive use. In addition, for such sales where the tax has been paid, the tax is considered an overpayment subject to credit or refund under the IRC at 26 U.S.C. 6416(b)(2) and (3). In order to protect the revenue, the TTB regulations in 27 CFR part 53 prescribe that those otherwise subject to this tax must maintain records, including statements or certificates containing specified information, documenting the tax-free or tax-overpaid nature of such sales. Respondents may use commercial records or self-generated supporting statement or certificates, or, for certain transactions, respondents may use TTB-provided forms, which, when completed, document the required supporting information. The required supporting information is maintained by respondents at their business premises, and, to protect the revenue, TTB may examine these records during audits.
