II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend CBOE Rule 6.1 to clarify the trading hours for options on exchange-traded funds (“ETF’s”) and exchange-traded notes (“ETNs”). Specifically, the Exchange seeks to amend Interpretation and Policy .03 to Rule 6.1 to provide that options on ETF’s and ETNs (collectively exchange-traded products or “ETPs”) may be traded on the Exchange until 3:15 p.m. (CT) each business day. The Exchange notes that the proposed rule is based on C2 Options Exchange, Incorporated (“C2”) Rule 6.1 and NYSE MKT LLC (“NYSE MKT”) Rule 901NY Commentary .02.

Currently, Rule 6.1 provides that all options on ETPs will be traded on the Exchange until 3:15 p.m. (CT); however, industry practice and the Exchange’s current practice allow the vast majority of options on ETPs to be traded until 3:00 p.m. (CT), while allowing certain options on ETPs to trade until 3:15 p.m. (CT).⁵ This filing seeks to align CBOE Rules with industry practice.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirement that the rules of an exchange not be designed

to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed rule change will protect investors and the public interest by reducing potential confusing regarding CBOE's trading hours for options on ETPs and aligning CBOE's Rules regarding trading orders for options on ETPs with industry practice. The Exchange notes that the proposed rule is based on C2 Rule 6.1 and NYSE MKT Rule 901NY Commentary .02.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will not impose any burden on intermarket or intramarket competition as the proposed rule change will align CBOE's Rules regarding trading orders for options on ETPs with industry practice. In addition, the proposed rule change does not modify the construct for trading hours but simply identifies the products that may close at 3:00 p.m. (CT) or 3:15 p.m. (CT), which is consistent with the industry.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) Rule 19b-4 thereunder.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
