SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–81328; File No. SR–BatsBZX–2017–51]

Self-Regulatory Organizations; Bats BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use on Bats BZX Exchange, Inc.'s Options Platform

August 7, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 31, 2017, Bats BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b–4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange's Web site at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

² 17 CFR 240.19b–4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b–4(f)(2).

⁵ The term "Member" is defined as "any registered broker or dealer that has been admitted to membership in the Exchange." See Exchange Rule 1.5(n).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule for its equity options platform ("BZX Options") to modify the qualification criteria of Tier 2 of the Firm,⁶ Broker Dealer⁷ and Joint Back Office⁸ Non-Penny Pilot⁹ Add Volume Tiers under footnote 8.

The Exchange currently offers three Firm, Broker Dealer and Joint Back Office Non-Penny Add Volume Tiers under footnote 8, which provide an enhanced rebate ranging from \$0.33 to \$0.82 per contract for qualifying orders that add liquidity in Non Penny Pilot Securities and yield fee code NF.¹⁰ The Exchange now proposes to modify Tier 2's required criteria.

Currently under Tier 2, a Member's orders that yield fee code NF receive an enhanced rebate of \$0.53 per contract where the Member has an: (i) ADV¹¹

greater than or equal to 3.00% of average OCV¹²; and (ii) ADAV¹³ in Market Maker¹⁴ orders greater than or equal to 2.75% of average OCV. The Exchange proposes to modify the second prong of the qualification criteria to instead require an ADAV in Market Maker orders greater than or equal to 2.50% of average OCV. The Exchange does not propose any other changes to Tier 2. Accordingly, as amended, the Exchange proposes to provide an enhanced rebate of \$0.53 per contract for orders that yield fee code NF where the Member has an: (i) ADV greater than or equal to 3.00% of average OCV; and (ii) ADAV in Market Maker orders greater than or equal to 2.50% of average OCV.

Implementation Date

The Exchange proposes to implement the above changes to its fee schedule on August 1, 2017.¹⁵

2. Statutory Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Act,¹⁶ in general, and furthers the objectives of Section 6(b)(4),¹⁷ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that the proposed modification to the Exchange's tiered pricing structure is reasonable, fair and equitable, and non-discriminatory. The Exchange operates in a highly competitive market in which market participants may readily send order flow to many competing venues if they deem fees at the Exchange to be excessive or incentives provided to be insufficient. The proposed structure

remains intended to attract order flow to the Exchange by offering market participants a competitive pricing structure. The Exchange believes it is reasonable to offer and incrementally modify incentives intended to help to contribute to the growth of the Exchange.

Volume-based pricing structures such as that maintained by the Exchange have been widely adopted by exchanges, including the Exchange, and are equitable because they are open to all Members on an equal basis and provide additional benefits or discounts that are reasonably related to: (i) The value to an exchange's market quality; (ii) associated higher levels of market activity, such as higher levels of liquidity provisions and/or growth patterns; and (iii) introduction of higher volumes of orders into the price and volume discovery processes. In particular, the proposed change to footnote 8 is a minor change intended to make meeting Tier 2 more attainable, which, in turn, is intended to continue to incentivize Members to send increased order flow to the Exchange in an effort to qualify for the enhanced rebates made available by the tier. This increased order flow, in turn, contributes to the growth of the Exchange. The Exchange also believes the rebate associated with the tier is reasonable as it continues to reflect the difficulty in achieving the tier. These incentives remain reasonably related to the value to the Exchange's market quality associated with higher levels of market activity, including liquidity provision and the introduction of higher volumes of orders into the price and volume discovery processes. The proposed change to the tiered pricing structure is not unfairly discriminatory because it will apply equally to all Members.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed amendment to its fee schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change represents a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in

the financial markets. The Exchange does not believe that the proposed change to the Exchange's tiered pricing structure burdens competition, but instead, enhances competition, as it is intended to increase the competitiveness of the Exchange.

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

August 4, 2017.

I. Introduction

On April 20, 2017, Investors Exchange LLC ("IEX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule
