DEPARTMENT OF THE TREASURY

Internal Revenue Service

Proposed Extension of Information Collection Request Submitted for Public Comment; Election To Expense Certain Refineries

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice and request for comments.

SUMMARY: The Internal Revenue Service, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. Currently, the IRS is soliciting comments concerning the election to expense certain refineries.

DATES: Written comments should be received on or before October 13, 2017 to be assured of consideration.

ADDRESSES: Direct all written comments to Tuawana Pinkston, Internal Revenue Service, Room 6141, 1111 Constitution Avenue NW., Washington, DC 20224. Requests for additional information or copies of the regulations should be directed to R. Joseph Durbala, at Internal Revenue Service, Room 6129, 1111 Constitution Avenue NW., Washington, DC 20224, or through the internet, at RJoseph.Durbala@irs.gov.

SUPPLEMENTARY INFORMATION:

Title: Election To Expense Certain Refineries.

OMB Number: 1545-2103.

Regulation Project Number: TD 9547.

Abstract: This document contains regulations relating to the election to expense qualified refinery property under section 179C of the Internal Revenue Code, and affects taxpayers who own refineries located in the United States. These regulations reflect the Energy Policy Act of 2005.

Section 179C of the Internal Revenue Code provides that a taxpayer can elect to treat 50% of the cost of "qualified refinery property" as a deductible expense not chargeable to capital account. The taxpayer makes an election under section 179C by entering the amount of the deduction at the appropriate place on the taxpayer's timely filed original federal income tax return for the taxable year in which the qualified refinery property is placed in service and by attaching a report specifying (a) the name and address of the refinery and (b) the production

capacity requirement under which the refinery qualifies.

If the taxpayer making the expensing election described above is a cooperative described in section 1381, and one or more persons directly holding an ownership interest in the taxpayer are organizations described in section 1381, the taxpayer can elect to allocate all or a portion of the deduction allowable under section 179C to those persons. The allocation must be equal to the person's ratable share of the total amount allocated, determined on the basis of the person's ownership interest in the taxpayer/cooperative.

Current Actions: There is no change to the burden previously approved.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 12.

Estimated Time per Respondent: 10 Hours.

Estimated Total Annual Burden Hours: 120.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology,
