

develop procedures by which they can obtain essential data. Listed issuers have informed the Exchange that they are unable to complete this extensive project by the pending October 1, 2017 implementation date. The Exchange believes that it is critical for listed ETFs issuers to have the appropriate procedures and systems in place to monitor and evidence ETF compliance with the new continued listing rules before such rules are implemented. Therefore, the Exchange proposes to extend the implementation date for the Proposed Rule Change until July 1, 2018.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Sections [sic] 6(b)(5)⁷ of the Act, in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the proposed amendment is consistent with the protection of investors because it will enable listed issuers to have the systems and procedures needed to monitor and evidence compliance with the Proposed Rule Change prior to such rule being implemented. Providing listed issuers with additional time to ensure that they have adequate compliance systems in place furthers the protection of investors and the public interest because it will enhance investor confidence that listed issuers are complying with Exchange rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended. The Exchange notes that the proposed rule change will facilitate listed issuer ability to monitor and evidence compliance with approved continued listing rules by providing issuers with additional time to develop and test their internal systems and procedures prior to the implementation date.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange received a copy of a letter from the Investment Company Institute, on behalf of listed ETF issuers, to the Securities and Exchange Commission.⁸ As described in Item 3 [sic], above, the Investment Company Institute detailed challenges that listed ETF issuers are facing in developing compliance systems to address the amendments contained in the Proposed Rule Change and have requested that the implementation date for such amendments be extended to July 1, 2018.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

Self-Regulatory Organizations; Bats EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Rule 21.2, Days and Hours of Business

August 16, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 2, 2017, Bats EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-

controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend Rule 21.2, Days and Hours of Business.

The text of the proposed rule change is available at the Exchange’s Web site at www.bats.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Rule 21.2 to clarify the trading hours for options on fund shares (“ETFs”) and exchange-traded notes (“ETNs”). Specifically, the Exchange seeks to amend Rule 21.2 to provide that options on ETFs and ETNs (collectively exchange-traded products or “ETPs”) may be traded on the Exchange until 3:15 p.m. (CT) each business day. The Exchange notes that the proposed rule is based on C2 Options Exchange, Incorporated (“C2”) Rule 6.1 and NYSE MKT LLC (“NYSE MKT”) Rule 901NY Commentary .02.

Currently, Rule 21.2 provides that all options on ETPs will be traded on the Exchange until 3:15 p.m. (CT); however, industry practice and the Exchange’s current practice allow the vast majority of options on ETPs to be traded until 3:00 p.m. (CT), while allowing certain options on ETPs to trade until 3:15 p.m.

(CT).⁵ This filing seeks to align EDGX Rules with industry practice.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed rule change will protect investors and the public interest by reducing potential confusing regarding EDGX’s trading hours for options on ETPs and aligning EDGX’s Rules regarding trading orders for options on ETPs with industry practice. The Exchange notes that the proposed rule is based on C2 Rule 6.1 and NYSE MKT Rule 901NY Commentary .02.

B. Self-Regulatory Organization’s Statement on Burden on Competition

EDGX does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will not impose any burden on intermarket or intramarket competition as the proposed rule change will align EDGX’s Rules regarding trading orders for options on ETPs with industry practice. In addition, the proposed rule change does not modify the construct for trading hours but simply identifies the products that may close at 3:00 p.m. (CT) or 3:15 p.m. (CT), which is consistent with the industry.

⁵ See e.g., the trading hours of options on NYSE MKT and NYSE Arca Inc., available at, <https://www.nyse.com/markets/hours-calendars>.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) Significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and paragraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
