DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

August 17, 2017.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by September 22, 2017 will be considered. Written comments should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, 725 17th Street NW., Washington, DC 20503. Commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov or fax (202) 395–5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250–7602. Copies of the submission(s) may be obtained by calling (202) 720–8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control

number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agriculture Statistics Service

Title: Agricultural Prices.

OMB Control Number: 0535–0003.

Summary of Collection: The

Agricultural Prices surveys provide data on the prices received by farmers and prices paid for production goods and services. This information is needed by the U.S. Department of Agriculture, National Agriculture Statistics Service (NASS) for the following purposes: (a) To compute Parity Prices in accordance with requirements of the Agricultural Adjustment Act of 1938 as amended (Title III, Subtitle A, Section 301a), (b) to estimate value of production, inventory values, and cash receipts from farming, (c) to determine the level for farmer owned reserves, (d) to provide guidelines for Risk Management Agency price selection options, (e) to determine Federal disaster prices to be paid, (f) establishing USDA's net farm income projections by the Economic Research Service and (g) to determine the grazing fee on Federal lands. General authority for these data collection activities is granted under U.S. Code Title 7, Section 2204.

Revisions were made to the Prices Paid Surveys and the Prices Received Survey for Grain. The Prices Paid Surveys will now collect both the price of the commodities listed, as well as the quantity sold. This will allow NASS to generate a weighted average price, instead of a straight average price for farm inputs. The Prices Received for Grain survey will be expanded to include all 50 States. This change is in response to additional funding provided by Congress to enhance the livestock feed expenses for all 50 States.

Need and Use of the Information: The NASS price program computes annual U.S. weighted average prices received by farmers for wheat, barley, oats, corn, grain sorghum, rice, cotton, peanuts, pulse crops and oilseeds based on monthly marketing. Estimates of prices received are used by NASS to determine the value of agricultural production. Prices estimates are used by many Government agencies as a general measure of commodity price changes,

economic analysis relating to farm income and alternative marketing policies, and for disaster and insurance payments. NASS estimates based on these surveys are used as a Principle Economic Indicator of the United States. These price estimates are also used to compute Parity Prices in accordance with requirements of the Agricultural Adjustment Act of 1938 as amended (Title III, Subtitle A, Section 301(a)).

Description of Respondents: Farms; Business or other for-profit.

Number of Respondents: 68,485.

Frequency of Responses: Reporting: On occasion; Monthly; Annually; Biennially.

Total Burden Hours: 31,975.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Economic Analysis (BEA), Commerce.

Title: Expenditures Incurred by Recipients of Biomedical Research and Development Awards from the National Institutes of Health (NIH).

OMB Control Number: 0608-0069.

Form Number: None.

Type of Request: Regular submission.

Number of Respondents: 120.

Average Hours per Response: 16 hours is the average, but may vary among respondents because of differences in institution structure, size, and complexity.

Estimated Total Annual Burden Hours: 1,920 hours.

Needs and Uses: The survey obtains the distribution of expenditures incurred by recipients of biomedical research awards from the National Institutes of Health (NIH) and will provide information on how the NIH award amounts are expended across several major categories. This information, along with wage and price data from other published sources, will be used to generate the Biomedical Research and Development Price Index (BRDPI). The Bureau of Economic Analysis (BEA) of the Department of Commerce develops this index for NIH under a reimbursable contract. The BRDPI is an index of prices paid for the labor, supplies, equipment, and other inputs required to perform the biomedical research the NIH supports in its intramural laboratories and through its awards to extramural organizations. The BRDPI is a vital tool for planning the NIH research budget and analyzing future NIH programs. A survey of award recipients is currently the only means for updating the expenditure category weights that are used to prepare the BRDPI.

A survey questionnaire with a cover letter that includes a brief description of, and rationale for, the survey will be sent to potential respondents by

September of 2017, 2018, and 2019. A report of the respondent's expenditures of the NIH award amounts following the proposed format for expenditure categories attached to the survey's cover letter, will be requested to be returned no later than December 8, which in most years will be approximately 120 days after mailing. Survey respondents will be selected on the basis of award levels, which determine the weight of the respondent in the biomedical research and development price index. BEA proposes to survey 150 organizations that receive NIH biomedical research awards. This will include the top 100 organizations in total awards received; 40 additional organizations that are not primarily in the "Research and Development (R&D) contracts" category; and 10 additional organizations that are primarily in the "R&D contracts" category. Based on awards data for FY 2015 by type of organization, the top 100 organizations received \$17.0 billion in awards (approximately 77 percent of total awards); the remaining awards-receiving organizations received \$5.2 billion.

Affected Public: Universities or other organizations that are NIH award recipients.

Frequency: Annual.

Respondent's Obligation: Voluntary.

Legal Authority: 45 CFR subpart C, Post-Award Requirements, sections 74.21 and 74.53; 42 U.S.C. 282; Economy Act (31 U.S.C. 1535 and 1536); and 15 U.S.C. 1525.

OMB Desk Officer: Jessica Park, (202) 395-9046.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jessica Park, OMB Desk Officer, phone number (202) 395-9046, or via email at jessica.park@omb.eop.gov.
