Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, Without Revision, of the Following Report

Report Title: Quarterly Savings and Loan Holding Company Report.

Agency Form Number: FR 2320.

OMB Control Number: 7100-0345.

Frequency: Quarterly.

Respondents: Savings and loan holding companies (SLHCs) that are currently exempt from filing other Federal Reserve regulatory reports.

Estimated Number of Respondents: 15.

Estimated Average Hours per Response: 2.5 hours.

Estimated Annual Burden Hours: 150 hours.

General Description of Report: The FR 2320 collects select parent only and consolidated balance sheet and income statement financial data and organizational structure data from SLHCs that are currently exempt from filing other Federal Reserve regulatory reports (exempt SLHCs).¹ The FR 2320 is used by the Board to analyze the overall financial condition of exempt SLHCs to ensure safe and sound operations. These data assist the Board in the evaluation of a diversified holding company and in determining whether an institution is in compliance with applicable laws and regulations.

Legal Authorization and Confidentiality: The Board has determined that the Home Owners' Loan Act authorizes the Board to require SLHCs to file "such reports as may be required by the Board" and instructs that such reports "shall contain such information concerning the operations of such savings and loan holding company and its subsidiaries as the Board may require." (12 U.S.C. 1467a(b)(2)). The obligation to respond is mandatory for exempt SLHCs. In some cases, lower-tier SLHCs may voluntarily file the FR 2320. In other cases lower-tier SLHCs may be required to file (in addition to the top-tier SLHC) for safety and soundness purposes at the discretion of the appropriate Federal Reserve Bank.

The Board also has determined that data items C572, C573, and C574 (line items 24, 25, and 26) may be protected from disclosure under exemption 4 of the Freedom of Information Act (FOIA). Commercial or financial information may be protected from disclosure under exemption 4 if disclosure of such information is likely to cause substantial competitive harm to the provider of the information. (5 U.S.C. 552(b)(4)). The data items listed above pertain to new or changed pledges, or capital stock of any subsidiary savings association that

secures short-term or long-term debt or other borrowings of the SLHC; changes to any class of securities of the SLHC or any of its subsidiaries that would negatively impact investors; and defaults of the SLHC or any of its subsidiaries during the quarter. Disclosure of this type of information is likely to cause substantial competitive harm to the SLHC providing the information and thus this information may be protected from disclosure under FOIA exemption 4.

With regard to the remaining data items on the FR 2320, the Board has determined that institutions may request confidential treatment for any FR 2320 data item or for all FR 2320 data items, and that confidential treatment will be reviewed on a case-by-case basis.

Board of Governors of the Federal Reserve System, August 18, 2017.

Ann E. Misback,

Secretary of the Board.

A. Purpose

Presolicitation notices are used by the Government for several reasons, one of which is to aid prospective contractors in submitting proposals without undue expenditure of effort, time, and money. The Government also uses the presolicitation notices to control printing and mailing costs. The presolicitation notice response is used to determine the number of solicitation documents needed and to assure that interested offerors receive the solicitation documents. The responses are placed in the contract file and referred to when solicitation documents are ready for mailing.

After mailing, the responses remain in the contract file and become a matter of record. The FAR sections affected are: 4.5; 14.205; 15.201(c) and 36.213-2.
