DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Proposed Renewal of Existing Collection; Comment Request

ACTION: Notice.

SUMMARY: Currently, the Office of Workers' Compensation Programs is soliciting comments concerning the proposed collection: Agreement and Undertaking (OWCP-1). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

DATES: You may submit comments by mail, delivery service, or by hand to Ms. Yoon Ferguson, U.S. Department of Labor, 200 Constitution Ave. NW., Room S-3323, Washington, DC 20210; by fax to (202) 354-9647; or by Email to ferguson.yoon@dol.gov. Please use only one method of transmission for comments (mail/delivery, fax, or Email).

Please note that comments submitted after the comment period will not be considered.

SUPPLEMENTARY INFORMATION: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95).

I. Background: Coal mine operators desiring to be self-insurers are required by law (30 U.S.C. 933 BL) to produce security by way of an indemnity bond, security deposit, a letter of credit, or 501(c)(21) trust. Once a company's application to become self-insured is reviewed by the Division of Coal Mine Workers' Compensation (DCMWC) and it is determined the company is potentially eligible, an amount of security is determined to guarantee the payment of benefits required by the Act. The OWCP-1 form is executed by the self-insurer who agrees to abide by the Department's rules and authorizes the Secretary, in the event of default, to file suit to secure payment from a bond underwriter or in the case of a Federal Reserve account, to sell the securities for the same purpose. A company cannot be authorized to self-insure until this requirement is met. Regulations establishing this requirement are at 20 CFR 726.110 for Black Lung. This information collection is currently approved for use through January 31, 2018.

II. Review Focus: The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions: The Department of Labor seeks the approval of the extension of this currently approved information collection in order to determine if a coal mine company is potentially eligible to become self-insured. The information is reviewed to insure that the correct amounts of negotiable securities are deposited or indemnity bond is purchased and that in a case of default OWCP has the authority to utilize the securities or bond. If this Agreement and Undertaking were not required, OWCP would not be empowered to utilize the company's security deposit to meet its financial responsibilities for the payment of black lung benefits in case of default.

Type of Review: Extension.

Compensation Programs.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2017-060]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when agencies no longer need them for current Government business. The records schedules authorize agencies to preserve records of continuing value in the National Archives of the United States and to destroy, after a specified period, records lacking administrative, legal, research, or other value. NARA publishes notice in the **Federal Register** for records schedules in which agencies propose to destroy records they no longer need to conduct agency business. NARA invites public comments on such records schedules.

DATES: NARA must receive requests for copies in writing by September 25, 2017. Once NARA finishes appraising the records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send to you these requested documents in which to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Appraisal and Agency Assistance (ACRA) using one of the following means:

Mail: NARA (ACRA); 8601 Adelphi Road; College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

Fax: 301-837-3698.

You must cite the control number, which appears in parentheses after the

name of the agency that submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, by mail at Records Appraisal and Agency Assistance (ACRA); National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001, by phone at (301) 837-1799, or by email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: NARA publishes notice in the **Federal Register** for records schedules they no longer need to conduct agency business. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing records retention periods and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize the agency to dispose of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless otherwise specified. An item in a schedule is media neutral when an agency may apply the disposition instructions to records regardless of the medium in which it creates or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is expressly limited to a specific medium. (See 36 CFR 1225.12(e).)

Agencies may not destroy Federal records without Archivist of the United States' approval. The Archivist approves destruction only after thoroughly considering the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, this notice lists the organizational unit(s)
