

guidance related to postsecondary education programs, that have a policy impact. We are now announcing two public hearings that will supplement this effort by seeking public input on Department regulations and guidance specific to postsecondary education programs that may be appropriate for repeal, replacement, or modification. This includes regulations and guidance for the Federal Student Aid programs authorized under title IV of the Higher Education Act of 1965, as amended, as well as regulations and guidance for the institutional service, international and foreign language education, and student service programs.

Public Hearings

We will hold two public hearings:

- September 26, 2017, at Salt Lake Community College—Miller Campus, 9750 South 300 West, Karen Gail Miller Conference Center, Copper Creek Room A&B, Sandy, Utah 84070.
- October 4, 2017, at the U.S. Department of Education, 400 Maryland Ave. SW., Barnard Auditorium, Washington, DC 20202.

The public hearings will be held from 9:00 a.m. to 4:00 p.m., local time.

Individuals who would like to present comments at the public hearings must register by sending an email to operegreformhearings@ed.gov. The email should include the name of the presenter along with the public hearing at which the individual would like to speak, the general topic(s) the individual would like to address, and a general timeframe during which the individual would like to speak (for example, a presenter could indicate morning or afternoon, or before 11:00 a.m. or after 3:00 p.m.). We will attempt to accommodate each speaker's preference, but, if we are unable to do so, we will make the determination on a first-come first-served basis, based on the time and date the email was received. It is likely that each participant will be limited to five minutes. The Department will notify registrants of the location and time slot reserved for them. An individual may make only one presentation at the public hearings. If we receive more registrations than we are able to accommodate, the Department reserves the right to reject the registration of an entity or individual that is affiliated with an entity or individual that is already scheduled to present comments, and to select among registrants to ensure that a broad range of entities and individuals is allowed to present. We will accept walk-in registrations for any remaining time slots on a first-come first-served basis, beginning at 8:30 a.m.

on the day of the public hearing at the Department's on-site registration table. Registration is not required to observe the public hearings; however, space may be limited.

The Department will post transcripts of the hearings to <https://www2.ed.gov/policy/highered/reg/reform/2017/index.html>. Although the Department will not be videoing the hearings, as this is a public meeting, speakers should be aware that they may be filmed or recorded by members of the public.

I. Introduction

1. By this document, the Commission initiates the pre-auction process for the Connect America Fund Phase II auction (Phase II auction, auction, or Auction 903). The Phase II auction will award up to \$198 million annually for 10 years to service providers that commit to offer voice and broadband services to fixed locations in unserved high-cost areas. The auction is scheduled to begin in 2018.

2. Auction 903 will be the first auction to award ongoing high-cost universal service support through competitive bidding in a multiple-round, reverse auction. Through this auction, the Commission intends to maximize the value the American people receive for the universal service dollars it spends, balancing higher-quality services with cost efficiencies. Therefore, the auction is designed to select bids from providers that would deploy high-speed broadband and voice services in unserved communities for lower relative levels of support.
