

consider any redline/strikeout comparison documents submitted by commenters, as it is far too inefficient for the Department to consolidate and consider redline/strikeout versions of each of the documents from numerous interested parties, based on HUD's past experience in seeking public comments on this information collection. HUD will only consider proposed changes to the documents listed under Section A that are submitted in narrative and/or bulleted form, accompanied by a detailed explanation and rationale for each requested change. However, commenters may include in their detailed explanation and rationale the relevant excerpt(s) from the document(s) with redlines/strikeouts.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Dated: August 29, 2017.

Dana T. Wade,

General Deputy Assistant Secretary for Housing.

Incidental Take Permit Applications Received To Participate in the American Burying Beetle Amended Oil and Gas Industry Conservation Plan in Oklahoma

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for public comments.

SUMMARY: Under the Endangered Species Act, as amended (ESA), we, the U.S. Fish and Wildlife Service, invite the public to comment on federally listed American burying beetle incidental take permit applications. The applicants anticipate American burying beetle take as a result of impacts to habitat the species uses for breeding, feeding, and sheltering in Oklahoma. The take would be incidental to the applicants' activities associated with oil and gas well field and pipeline infrastructure (gathering, transmission, and distribution), including geophysical exploration (seismic), construction, maintenance, operation, repair, decommissioning, and reclamation. If approved, the permits would be issued under the approved *American Burying Beetle Amended Oil and Gas Industry Conservation Plan (ICP) Endangered*

Species Act Section 10(a)(1)(B) Permit Issuance in Oklahoma.

DATES: To ensure consideration, written comments must be received on or before October 5, 2017.

ADDRESSES: You may obtain copies of all documents and submit comments on the applicants' incidental take permit (ITP) applications by one of the following methods. Please refer to the proposed permit number when requesting documents or submitting comments.

- *U.S. Mail:* U.S. Fish and Wildlife Service, Division of Endangered Species—HCP Permits, P.O. Box 1306, Room 6034, Albuquerque, NM 87103.
- *Electronically:* fw2_hcp_permits@fws.gov.

FOR FURTHER INFORMATION CONTACT:

Marty Tuegel, Branch Chief, by U.S. mail at U.S. Fish and Wildlife Service, Environmental Review Division, P.O. Box 1306, Room 6034, Albuquerque, NM 87103; or by telephone at 505-248-6651.

SUPPLEMENTARY INFORMATION:

Introduction

Under the Endangered Species Act, as amended (16 U.S.C. 1531 *et seq.*; ESA), we, the U.S. Fish and Wildlife Service, invite the public to comment on incidental take permit (ITP) applications to take the federally listed American burying beetle (*Nicrophorus americanus*) during oil and gas well field infrastructure geophysical exploration (seismic) and construction, maintenance, operation, repair, and decommissioning, as well as oil and gas gathering, transmission, and distribution pipeline infrastructure construction, maintenance, operation, repair, decommissioning, and reclamation in Oklahoma.

If approved, the permits would be issued to the applicants under the *American Burying Beetle Amended Oil and Gas Industry Conservation Plan (ICP) Endangered Species Act Section 10(a)(1)(B) Permit Issuance in Oklahoma*. The original ICP was approved on May 21, 2014, and the “no significant impact” finding notice was published in the **Federal Register** on July 25, 2014 (79 FR 43504). The draft amended ICP was made available for comment on March 8, 2016 (81 FR 12113), and approved on April 13, 2016. The ICP and the associated environmental assessment/finding of no significant impact are available on our Web site at <http://www.fws.gov/southwest/es/oklahoma/ABBICP>. However, we are no longer taking comments on these finalized, approved documents.

Applications Available for Review and Comment

We invite local, State, Tribal, and Federal agencies, and the public to comment on the following applications under the ICP, for incidentally taking the federally listed American burying beetle. Please refer to the appropriate permit number (*e.g.*, TE-123456) when requesting application documents and when submitting comments. Documents and other information the applicants have submitted are available for review, subject to Privacy Act (5 U.S.C. 552a) and Freedom of Information Act (5 U.S.C. 552) requirements.

Permit TE41500C

Applicant: Plains All American Pipeline, L.P., Houston, TX.

Applicant requests a permit for oil and gas upstream and midstream production, including oil and gas well field infrastructure geophysical exploration (seismic) and construction, maintenance, operation, repair, and decommissioning, as well as oil and gas gathering, transmission, and distribution pipeline infrastructure construction, maintenance, operation, repair, decommissioning, and reclamation in Oklahoma.

Permit TE42582C

Applicant: Reach Energy Limited, Oklahoma City, OK.

Applicant requests a permit for oil and gas upstream and midstream production, including oil and gas well field infrastructure geophysical exploration (seismic) and construction, maintenance, operation, repair, and decommissioning, as well as oil and gas gathering, transmission, and distribution pipeline infrastructure construction, maintenance, operation, repair, decommissioning, and reclamation in Oklahoma.

Public Availability of Comments

Written comments we receive become part of the public record associated with this action. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can request in your comment that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will not consider anonymous comments. All submissions from organizations or businesses, and from individuals identifying themselves as

representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Authority: We provide this notice under section 10(c) of the ESA (16 U.S.C. 1531 *et seq.*) and its implementing regulations (50 CFR 17.22) and the National Environmental Policy Act (42 U.S.C. 4321 *et seq.*) and its implementing regulations (40 CFR 1506.6).

Dated: July 27, 2017.

Benjamin N. Tuggle,

Regional Director, Southwest Region, U.S. Fish and Wildlife Service.

Notice of Public Meeting, Boise District Resource Advisory Council, Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of public meetings.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management (BLM) Boise District Resource Advisory Council (RAC) will meet as indicated below.

DATES: The Boise District RAC will meet on September 14, 2017, and on November 17, 2017.

ADDRESSES: Both meetings of the Boise District RAC will take place at the BLM Boise District Office, 3948 Development Avenue, Boise, Idaho 83705.

FOR FURTHER INFORMATION CONTACT:

Michael Williamson, BLM Boise District, Idaho; 3948 Development Avenue, Boise, Idaho 83705; 208-384-3393; mwilliamson@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may contact Mr. Williamson by calling the Federal Relay Service (FRS) at 800-877-8339. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with Mr. Williamson. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The 15-member RAC advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Idaho.

The September 14 meeting will begin at 7:00 a.m. and end no later than 5:00 p.m. and will involve a field tour of

several locations throughout the Four Rivers Field Office. The public comment period will take place from 7:02 a.m. to 7:30 a.m. During this meeting, the Boise District RAC will visit locations to discuss the Four Rivers Field Office Resource Management Plan, the Paradigm Fuel Break Project, herbicide environmental analysis, and other field office issues. Additional topics may be added and will be included in local media announcements. The public will need to provide their own transportation if they wish to accompany the field trip.

The November 17 meeting will begin at 9:00 a.m. and end no later than 4:00 p.m. The public comment period will take place from 11:00 a.m. to 11:30 a.m. During this meeting, the Boise District RAC will receive updates on the Wild Horse and Burro program, travel management planning, Fire program, Soda Fire rehabilitation, Tri-State fuel break project, and other field office updates. Additional topics may be added and will be included in local media announcements.

RAC meetings are open to the public. The public may present written comments to the Council at the address listed in the **ADDRESSES** section of this notice. Each formal Council meeting will also have time allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited.

Before including your address, phone number, email address, or other personal identifying information in your comments, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time.

While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Individuals who plan to attend and need special assistance, such as sign language interpretation, tour transportation or other reasonable accommodations, should contact the BLM as provided above.

Authority: 43 CFR 1784.4-2.

Lara Douglas,

District Manager.
