### Summary of the Application

1. The Adviser will serve as the investment adviser to the Funds pursuant to an investment advisory agreement with the Trust (the “Advisory Agreement”).<sup>1</sup> The Adviser will provide each Fund with overall investment management services and will continuously review, supervise and administer each Fund’s investment program, subject to the supervision of, and policies established by, each Fund’s board of trustees (“Board”). The Advisory Agreement permits the Adviser, subject to the approval of the Board, to delegate to one or more subadvisers (each, a “Subadviser” and collectively, the “Subadvisers”) the responsibility to provide the day-to-day portfolio investment management of each Fund, subject to the supervision and direction of the Adviser.<sup>2</sup> The primary responsibility for managing the Funds will remain vested in the Adviser. The Adviser will hire, evaluate, allocate assets to and oversee the Subadvisers, including determining whether a Subadviser should be

terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit the Adviser, subject to Board approval, to hire certain Subadvisers pursuant to subadvisory agreements and materially amend existing subadvisory agreements without obtaining the shareholder approval required under section 15(a) of the Act and rule 18f–2 under the Act.<sup>3</sup> Applicants also seek an exemption from the Disclosure Requirements to permit a Fund to disclose (as both a dollar amount and a percentage of the Fund’s net assets): (a) The aggregate fees paid to the Adviser and any Affiliated Subadviser; and (b) the aggregate fees paid to Subadvisers other than Affiliated Subadvisers. For any Fund that employs an Affiliated Subadviser, the Fund will provide separate disclosure of any fees paid to the Affiliated Subadviser.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Fund shareholders and notification about subadvisory changes and enhanced Board oversight to protect the interests of the Funds’ shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Advisory Agreements will remain subject to shareholder approval while the role of the Subadvisers is substantially similar to that of individual portfolio managers, so that requiring shareholder approval of subadvisory agreements would impose unnecessary delays and expenses on the Funds. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser’s ability to negotiate fees paid to the Subadvisers that are more advantageous for the Funds.

<sup>3</sup> The requested relief will not extend to any subadviser that is an affiliated person, as defined in section 2(a)(3) of the Act, of the Trust, a Fund, or the Adviser, other than solely by reason of serving as a Subadviser to one or more of the Funds, or as an adviser or subadviser to any series of the Trust other than the Funds (“Affiliated Subadviser”).

For the Commission, by the Division of Investment Management, under delegated authority.
