### Summary of the Application

1. Applicants request an order that would permit the applicants to participate in an interfund lending facility where each Fund could lend money directly to and borrow money directly from other Funds to cover unanticipated cash shortfalls, such as unanticipated redemptions or trade fails.<sup>1</sup> The Funds will not borrow under the facility for leverage purposes and the loans' duration will be no more than 7 days.<sup>2</sup>

2. Applicants anticipate that the proposed facility would provide a borrowing Fund with a source of liquidity at a rate lower than the bank borrowing rate at times when the cash position of the Fund is insufficient to meet temporary cash requirements. In addition, Funds making short-term cash loans directly to other Funds would earn interest at a rate higher than they otherwise could obtain from investing their cash in U.S. Treasury bills or certain other short-term money market instruments. Thus, applicants assert that the facility would benefit both borrowing and lending Funds.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Among others, an Adviser, through a designated committee, would administer the facility as a disinterested fiduciary as part of its duties under the investment management agreements with the Funds and would receive no additional fee as compensation for its services in connection with the administration of the facility. The facility would be subject to oversight and certain approvals by the Funds' Board, including, among others, approval of the interest rate formula and of the method

for allocating loans across Funds, as well as review of the process in place to evaluate the liquidity implications for the Funds. A Fund's aggregate outstanding interfund loans will not exceed 15% of its net assets, and the Fund's loans to any one Fund will not exceed 5% of the lending Fund's net assets.<sup>3</sup>

4. Applicants assert that the facility does not raise the concerns underlying section 12(d)(1) of the Act given that the Funds are part of the same group of investment companies and there will be no duplicative costs or fees to the Funds.<sup>4</sup> Applicants also assert that the proposed transactions do not raise the concerns underlying sections 17(a)(1), 17(a)(3), 17(d) and 21(b) of the Act as the Funds would not engage in lending transactions that unfairly benefit insiders or are detrimental to the Funds. Applicants state that the facility will offer both reduced borrowing costs and enhanced returns on loaned funds to all participating Funds and each Fund would have an equal opportunity to borrow and lend on equal terms based on an interest rate formula that is objective and verifiable. With respect to the relief from section 17(a)(2) of the Act, applicants note that any collateral pledged to secure an interfund loan would be subject to the same conditions imposed by any other lender to a Fund that imposes conditions on the quality of or access to collateral for a borrowing (if the lender is another Fund) or the same or better conditions (in any other circumstance).<sup>5</sup>

5. Applicants also believe that the limited relief from section 18(f)(1) of the Act that is necessary to implement the facility (because the lending Funds are not banks) is appropriate in light of the conditions and safeguards described in the application and because the Funds would remain subject to the requirement of section 18(f)(1) that all borrowings of a Fund, including combined interfund loans and bank borrowings, have at least 300% asset coverage.

6. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of

investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Rule 17d-1(b) under the Act provides that in passing upon an application filed under the rule, the Commission will consider whether the participation of the registered investment company in a joint enterprise, joint arrangement or profit sharing plan on the basis proposed is consistent with the provisions, policies and purposes of the Act and the extent to which such participation is on a basis different from or less advantageous than that of the other participants.

For the Commission, by the Division of Investment Management, under delegated authority.

### Submission for OMB Review; Comment Request

*Upon Written Request Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, Washington, DC 20549-2736

*Extension:*  
Rule 433

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

<sup>1</sup> Applicants request that the order apply to the applicants and to any existing or future series of the Trust and any existing or future registered open-end management investment company or series thereof (each a "Fund") for which AQR, or an entity controlling, controlled by, or under common control with AQR or any successor thereto serves as investment adviser (with AQR, each an "Adviser"). For purposes of the requested order, "successor" is limited to any entity that results from a reorganization into another jurisdiction or a change in the type of a business organization. Although the applicants do not currently operate any money market funds, applicants request that the order also apply to any future Fund that is a money market fund that complies with rule 2a-7 of the Act (each a "Money Market Fund"). Money Market Funds will not participate as borrowers under the interfund lending facility because such funds rarely need to borrow cash to meet redemptions.

<sup>2</sup> Any Fund, however, will be able to call a loan on one business day's notice.

<sup>3</sup> Under certain circumstances, a borrowing Fund will be required to pledge collateral to secure the loan.

<sup>4</sup> Applicants state that the obligation to repay an interfund loan could be deemed to constitute a security for the purposes of sections 17(a)(1) and 12(d)(1) of the Act.

<sup>5</sup> Applicants state that any pledge of securities to secure an interfund loan could constitute a purchase of securities for purposes of section 17(a)(2) of the Act.

Rule 433 (17 CFR 230.433) governs the use and filing of free writing prospectuses under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). The purpose of Rule 433 is to reduce the restrictions on communications that an issuer can make to investors during a registered offering of its securities, while maintaining important investor protections. A free writing prospectus meeting the conditions of Rule 433(d)(1) must be filed with the Commission and is publicly available. We estimate that it takes approximately 1.28 burden hours per response to prepare a free writing prospectus and that the information is filed by 2,906 respondents approximately 5.4026 times per year for a total of 15,700 responses. We estimate that 25% of the 1.28 burden hours per response (0.32 hours) is prepared by the issuer for total annual reporting burden of approximately 5,024 hours (0.32 hours × 15,700 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Rule 203–2 and Form ADV–W; SEC File No. 270–40, OMB Control No. 3235–0313

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is “Rule 203–2 (17 CFR 275.203–2) and Form ADV–W (17 CFR 279.2) under the Investment Advisers Act of 1940 (15 U.S.C. 80b).” Rule 203–2 under the Investment Advisers Act of 1940 establishes procedures for an investment adviser to withdraw its registration or pending registration with the Commission. Rule 203–2 requires every person withdrawing from investment adviser registration with the Commission to file Form ADV–W electronically on the Investment Adviser Registration Depository (“IARD”). The purpose of the information collection is to notify the Commission and the public when an investment adviser withdraws its pending or approved SEC registration. Typically, an investment adviser files a Form ADV–W when it ceases doing business or when it is ineligible to remain registered with the Commission.

The potential respondents to this information collection are all investment advisers registered with the Commission or have applications pending with the Commission. The Commission has estimated that compliance with the requirement to complete Form ADV–W imposes a total burden of approximately 0.75 hours (45 minutes) for an adviser filing for full withdrawal and approximately 0.25 hours (15 minutes) for an adviser filing for partial withdrawal. Based on historical filings, the Commission estimates that there are approximately 741 respondents annually filing for full withdrawal and approximately 130 respondents annually filing for partial withdrawal. Based on these estimates, the total estimated annual burden would be 588 hours ((741 respondents × .75 hours) + (130 respondents × .25 hours)).

Rule 203–2 and Form ADV–W do not require recordkeeping or records retention. The collection of information requirements under the rule and form are mandatory. The information collected pursuant to the rule and Form ADV–W are filings with the Commission. These filings are not kept confidential. An agency may not conduct or sponsor, and a person is not

required to respond to, a collection of information unless it displays a currently valid control number.
