SUPPLEMENTARY INFORMATION:

Authority

Section 102 of the Maritime Transportation Security Act (MTSA) of 2002 (Pub. L. 107–295) added section 70112 to Title 46 of the U.S. Code, and authorized the Secretary of the Department in which the Coast Guard is operating to establish Area Maritime Security Advisory Committees for any port area of the United States. (See 33 U.S.C. 1226, 1231; 46 U.S.C. chapter 701; 50 U.S.C. 191, 192; 33 CFR 1.05–1, 6.01; Department of Homeland Security Delegation No. 0170.1). Under 46 U.S.C. 70112(g)(1)(B), the Federal Advisory Committee Act (FACA) does not apply to AMSCs.

Boston AMSC Purpose

The AMSCs shall assist the Captain of the Port in the development, review, update, and exercise of the AMS Plan for their area of responsibility. Such matters may include, but are not limited to: Identifying critical port infrastructure and operations; Identifying risks (threats, vulnerabilities, and consequences); Determining mitigation strategies and implementation methods; Developing strategies to facilitate the recovery of the MTS after a Transportation Security Incident; Developing and describing the process to continually evaluate overall port security by considering consequences and vulnerabilities, how they may change over time, and what additional mitigation strategies can be applied.

AMSC Composition

The composition of an AMSC, to include the Boston AMSC, is prescribed under 33 CFR 103.305. Pursuant to that regulation, members may be selected from the Federal, Territorial, or Tribal government; the State government and political subdivisions of the State; local public safety, crisis management, and emergency response agencies; law enforcement and security organizations; maritime industry, including labor; other port stakeholders having a special competence in maritime security; and port stakeholders affect by security practices and policies. Also, at least 7 of the AMSC members must each have 5 or more years of experience related to maritime or port security operations.

AMSC Membership

The Boston AMSC has 41 members who represent Federal, State, local, and industry stakeholders from

Massachusetts. We are seeking to fill 11 positions with this solicitation.

Applicants may be required to pass an appropriate security background check prior to appointment to the committee. Members' terms of office will be for 5 years; however, a member is eligible to serve additional terms of office. Members will not receive any salary or other compensation for their service on an AMSC.

Request for Applications

Those seeking membership are not required to submit formal applications to the local Captain of the Port, however, because we do have an obligation to ensure that a specific number of members have the prerequisite maritime security experience, we encourage the submission of resumes highlighting experience in the maritime and security industries.

The Department of Homeland Security does not discriminate in selection of Committee members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or other non-merit factor. The Department of Homeland Security strives to achieve a widely diverse candidate pool for all of its recruitment actions.

Dated: September 19, 2017.

C.C. Gelzer,

Captain, U.S. Coast Guard, Federal Maritime Security Coordinator Boston.
