

submit comments by November 27, 2017. In order to ensure the timely receipt and consideration of comments, USTR strongly encourages commenters to make on-line submissions using the www.regulations.gov.

To submit comments via www.regulations.gov, enter docket number USTR 2017-0013 on the home page and click "search." The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled "Comment Now!" For further information on using the www.regulations.gov Web site, please consult the resources provided on the Web site by clicking on "How to Use Regulations.gov" on the bottom of the home page. We will not accept hand-delivered submissions.

The www.regulations.gov Web site allows users to submit comments by filling in a "Type Comment" field or by attaching a document using an "Upload File" field. USTR prefers that you submit comments in an attached document. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If you use an application other than those two, please indicate the name of the application in the "Type Comment" field.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC". Any page containing business confidential information must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. Filers of submissions containing business confidential information also must submit a public version of their comments that we will place in the docket for public inspection. The file name of the public version should begin with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments. Filers submitting comments containing no business confidential information should name their file using the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the submission itself. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges submitters to file comments through www.regulations.gov. You must make any alternative arrangements in advance

of transmitting a comment by contacting Yvonne Jamison at (202) 395-3475. General information concerning USTR is available at www.ustr.gov.

We will place comments in the public docket except business confidential information. You can view comments on the www.regulations.gov Web site by entering the relevant docket number in the search field on the home page.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of Intent To Rule on Change in Use of Aeronautical Property at Harnett Regional Jetport, Harnett County, NC

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice

SUMMARY: The Federal Aviation Administration (FAA) is requesting public comment on a request by the County of Harnett of North Carolina, owner of the Harnett Regional Jetport, to change a portion of airport property from aeronautical to non-aeronautical use at the Harnett Regional Jetport. The request consists of approximately 2.49 acres to Piedmont Natural Gas Company, Inc. for use as a permanent utility easement for the installation of a gas line.

DATES: Comments must be received on or before October 26, 2017.

ADDRESSES: Comments on this notice may be mailed or delivered in triplicate to the FAA at the following address: Memphis Airports District Office, Attn: Koty Brown, Program Manager, 2600 Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. Gordon Springle, Chairman of the Harnett County Board of Commissioners at the following address: 540 Tippet Road, Angier, NC 27501.

FOR FURTHER INFORMATION CONTACT: Koty Brown, Program Manager, Federal Aviation Administration, Memphis Airports District Office, 2600 Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118-2482.

The application may be reviewed in person at this same location, by appointment.

SUPPLEMENTARY INFORMATION: The FAA proposes to rule and invites public comment on the request to release property for non-aeronautical purposes at Harnett Regional Jetport, Harnett County, NC under the provisions of 49 U.S.C. 47107(h)(2). The FAA determined that the request to release property at Harnett Regional Jetport (HRJ) submitted by the County of Harnett meets the procedural requirements of the FAA and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The County of Harnett is proposing the release of approximately 2.49 acres to Piedmont Natural Gas Company, Inc. for use as a permanent utility easement for the installation of a gas line. This property is located along US Highway 421 South on the existing airport northeastern property line. This property is separated from the majority of airport property by US Highway 421 South. The proposed use of this property is compatible with airport operations.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

Issued in Memphis, TN on September 19, 2017.

Phillip J. Braden,

Manager, Memphis Airports District Office, Southern Region.

I. Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for five years if it finds "such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption." The statute also allows the Agency to renew exemptions at the end of the five-year period. FMCSA grants exemptions from the FMCSRs for a two-year period to align with the maximum
