A copy of the EPA's September 19, 2017 letter to VT ANR follows:

Heidi Hales, Division Director
Department of Environmental Conservation
One National Life Drive
Montpelier, VT 05620–3802

Dear Ms. Hales:

On March 16, 2015, the EPA promulgated Standards of Performance for New Residential Wood Heaters, New Residential Hydronic Heaters, and Forced-Air Furnaces (NSPS) at 40 CFR part 60, subparts AAA and QQQQ. In your letter dated May 19, 2017, the Vermont Agency of Natural Resources (VT ANR) requested partial delegation to

implement and enforce certain provisions of the NSPS.

Delegation Request

VT ANR requested partial delegation to implement and enforce the following provisions of the NSPS at 40 CFR 60.539a and 60.5482:

1. Enforcement of prohibitions on the installation and operation of affected wood heaters and central heaters in a manner inconsistent with the installation and owner's manual;
2. Enforcement of prohibitions on operation of catalytic wood heaters or central heaters where the catalyst has been deactivated or removed;
3. Enforcement of prohibitions on advertisement and/or sale of uncertified model lines;
4. Enforcement of prohibitions on advertisement and/or sale of affected wood heaters and central heaters that do not have the required permanent label;
5. Enforcement of proper labeling of affected wood heaters and central heaters; and
6. Enforcement of compliance with other labeling requirements for wood heaters and central heaters.

Delegation of Authority

On December 15, 2016, VT ANR adopted and amended the Vermont Air Pollution Control Regulations at § 5–204 for Wood Stoves and Central Heaters. In the May 19, 2017 letter, VT ANR provided copies of its revised regulations and its authority to accept delegation.

The EPA has reviewed the pertinent regulations of the State of Vermont, and has determined they provide an adequate and effective procedure for implementation of the requested NSPS provisions. Accordingly, the EPA hereby approves your request for partial delegation of authority to implement and enforce the identified provisions of the NSPS at 40 CFR 60.539a and 60.5482.

Please note that this partial delegation of authority is subject to the terms and conditions in the March 6, 1996 Memorandum of Understanding between the VT ANR and the EPA for delegation of Section 111 standards. In addition, the EPA is not delegating any authorities under 40 CFR 60.539a and 60.5482 that specifically indicate they cannot be delegated.

Since this delegation is effectively immediately, there is no need for VT ANR to notify the EPA of its acceptance. Unless we receive written notice of objections from VT ANR within ten (10) days from the date of this letter, VT ANR will be deemed to have accepted all of the terms as stated herein. We will publish a notice of delegation of authority in the **Federal Register** informing the public of this action.

The EPA appreciates Vermont's efforts to accept partial delegation and implement and enforce the Wood Heater and Central Heater NSPS delegated provisions. If you have any questions regarding this matter, please don't hesitate to contact Eric Wortman at (617) 918–1624.

Sincerely,

Deborah A. Szaro

Acting Regional Administrator
