## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–81889; File No. SR–IEX–2017–33]

### Self-Regulatory Organizations: Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Reflect Name Changes of NYSE MKT to NYSE American LLC and the National Stock Exchange to NYSE National, Inc.

October 17, 2017.

Pursuant to Section 19(b)(1) <sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”) <sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that, on October 4, 2017, the Investors Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”),<sup>4</sup> and Rule 19b–4 thereunder,<sup>5</sup> Investors Exchange LLC (“IEX” or “Exchange”) is filing with the Commission a proposed rule change to

amend Rules 2.220(a)(7) and 11.410(a) to reflect the name change NYSE MKT to NYSE American LLC (“NYSE American”) and the National Stock Exchange to NYSE National, Inc. (“NYSE National”). The Exchange has designated this rule change as “non-controversial” under Section 19(b)(3)(A) of the Act <sup>6</sup> and provided the Commission with the notice required by Rule 19b–4(f)(6) thereunder.<sup>7</sup> The text of the proposed rule change is available at the Exchange’s Web site at [www.iextrading.com](http://www.iextrading.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend Rules 2.220(a)(7) and 11.410(a) to reflect reflect [sic] the name change NYSE MKT to NYSE American <sup>8</sup> and the National Stock Exchange to NYSE National.<sup>9</sup> IEX Rule 2.220(a)(7) lists the away trading centers that IEX Services LLC (“IEX Services”) routes to as outbound router for the Exchange. Rule 11.410(a) specifies the market data sources for each away trading center that the Exchange uses for necessary price reference points. The proposed changes are nonsubstantive and do not alter the manner in which orders are handled or routed by the Exchange. The Exchange notes that NYSE National ceased operations on February 1, 2017

and has not yet re-launched operations.<sup>10</sup>

###### 2. Statutory Basis

IEX believes that the proposed rule change is consistent with the provisions of Section 6(b) <sup>11</sup> of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act <sup>12</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes it is consistent with the Act to update the referenced rules to reflect the name changes of NYSE American and NYSE National so that IEX’s rules accurately specify away markets referenced, as well as to avoid any potential confusion on the part of market participants. As noted in the Purpose section, the proposed changes are nonsubstantive and do not alter the manner in which orders are handled or routed by the Exchange.

##### B. Self-Regulatory Organization’s Statement on Burden on Competition

IEX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed correction does not impact competition in any respect since it is designed to simply update away market names.

##### C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory

organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission,<sup>13</sup> the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>14</sup> and Rule 19b-4(f)(6) thereunder.<sup>15</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>16</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>17</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes that the proposed rule change does not present any new, unique or substantive issues, but rather is merely updating references to away markets in two of the Exchange's rules and that waiver of the 30-day operative delay will help prevent potential confusion to market participants. Therefore, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and designates the proposed rule change as operative upon filing.<sup>18</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>19</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.
