Privacy Act of 1974; System of Records

AGENCY: Council of the Inspectors General on Integrity and Efficiency.

ACTION: Notice of a new system of records.

SUMMARY: The Council of the Inspectors General on Integrity and Efficiency (CIGIE) proposes to establish a system of records that is subject to the Privacy Act of 1974. Specifically, the Employee-related Records System system of records will enable CIGIE to more efficiently track current, former, and prospective employee-related records. CIGIE also proposes to establish routine uses for the proposed system of records. In this notice, CIGIE provides the required information on the system of records and routine uses for such system.

DATES: This action will be effective without further notice on December 6, 2017 unless comments are received that would result in a contrary determination.

FOR FURTHER INFORMATION CONTACT: Atticus J. Reaser, General Counsel, CIGIE, (202) 292-2600.

SUPPLEMENTARY INFORMATION: In 2008, Congress established CIGIE as an independent entity within the executive

branch in order to address integrity, economy, and effectiveness issues that transcend individual Government agencies; and increase the professionalism and effectiveness of personnel by developing policies, standards, and approaches to aid in the establishment of a well-trained and highly skilled workforce in the offices of the Inspector General. CIGIE's membership is comprised of all Inspectors General whose offices are established under the Inspector General Act of 1978, as amended, 5 U.S.C. app, as well as the Controller of the Office of Federal Financial Management, a designated official of the Federal Bureau of Investigation, the Director of the Office of Government Ethics, the Special Counsel of the Office of Special Counsel, the Deputy Director of the Office of Personnel Management, the Deputy Director for Management of the Office of Management and Budget (OMB), and the Inspectors General of the Office of the Director of National Intelligence, Central Intelligence Agency, Library of Congress, Capitol Police, Government Publishing Office, Government Accountability Office, and the Architect of the Capitol. The Deputy Director for Management of OMB serves as the Executive Chairperson of CIGIE.

The new system of records described in this notice, CIGIE-3—Employee-related Records System, will enable CIGIE to more efficiently track current, former, and prospective employee-related records. In accordance with 5 U.S.C. 552a(r), CIGIE has provided a report of this new system of records to the OMB and to Congress. The new system of records reads as follows:

SYSTEM NAME AND NUMBER

Employee-related Records System—CIGIE-3.

SECURITY CLASSIFICATION:

None.

SYSTEM LOCATIONS:

The principal location of paper records contained within the system is the headquarters of the Council of the Inspectors General on Integrity and Efficiency (CIGIE), 1717 H Street NW., Suite 825, Washington, DC 20006. Paper records within the system may also be located at CIGIE's Inspector General Criminal Investigator Academy, Federal Law Enforcement Training Center, 384 Marana Circle, Glynnco, Georgia 31524. Records maintained in electronic form are principally located in contractor-hosted data centers in the United States. Contact the System Manager identified below for additional information.

SYSTEM MANAGER(S):

Executive Director, Council of the Inspectors General on Integrity and Efficiency, 1717 H Street NW., Suite 825, Washington, DC 20006.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Section 11 of the Inspector General Act of 1978, as amended, 5 U.S.C. app (IG Act); 5 U.S.C. 301; 44 U.S.C. 3101.

PURPOSE(S) OF THE SYSTEM:

This system of records is primarily maintained to perform agency functions related to general management of CIGIE personnel, including, but not limited to, employee training, leave, attendance, and payments, including determinations relating to the amounts to be paid to employees, the distribution of pay according to employee directions (for allotments, to financial institutions, and for other authorized purposes), and for tax withholdings and other authorized deductions. The system is also used to facilitate communication between CIGIE employees, initiate personnel actions, counsel employees on their performance, and propose disciplinary action.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Current and former employees of CIGIE, individuals detailed to CIGIE, and applicants for employment at CIGIE.

CATEGORIES OF RECORDS IN THE SYSTEM:

This system of records includes personnel information regarding current CIGIE employees, former CIGIE employees, prospective CIGIE employees, and individuals detailed to CIGIE. Such personnel information may include: Name; addresses; telephone numbers; Social Security number; duty location; position data; time, attendance, and leave information; payroll information; awards and bonus information; professional registrations; qualifications; training history; employment history; counseling; reprimands; grievances; work assignments; and injuries.

The system's records contain but are not limited to the following information about the individual's time, attendance, and leave: The number and type of hours worked; overtime information, including compensatory or credit time earned and used; compensatory travel earned; leave requests, balances, and credits; leave charge codes; and medical records as they pertain to employee medical leave.

The system's records contain but are not limited to the following information about an individual's payroll: Marital

status and number of dependents; child support enforcement court orders; information about taxes and other deductions; debts owed to CIGIE and garnishment information; salary data; retirement data; Thrift Savings Plan contribution and loan amount; and direct deposit information, including financial institution.

The system does not include records covered by government-wide systems of record, including, but not limited to, applicable government-wide systems of record established by the U.S. Office of Personnel Management (OPM), U.S. Department of Labor (DOL), U.S. Equal Employment Opportunity Commission (EEOC), General Services Administration (GSA), U.S. Merit Systems Protection Board (MSPB), U.S. Office of Government Ethics, and U.S. Office of Special Counsel (OSC). Additionally, the system does not include CIGIE current and former employee records maintained by GSA and covered by GSA's GSA/Agency-1: Employee-Related Files system of record as a result of GSA's provision of payroll and other services to CIGIE. When records in the custody of CIGIE are covered in a record system published by another Federal agency as a government-wide record system, or by GSA/Agency-1, they are considered part of that system.

RECORD SOURCE CATEGORIES:

The sources for the information are individuals themselves; other employees; other personnel records; Federal, State, and local agencies; private entities; and private citizens.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

To appropriate agencies, entities, and persons when: CIGIE suspects or has confirmed that there has been a breach of the system of records; CIGIE has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, CIGIE (including its information systems, programs, and operations), the Federal Government, or national security; and the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with CIGIE's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

I. To another Federal agency or Federal entity, when: CIGIE determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in responding to a suspected or confirmed breach; or preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.
