Expiration Date of Approval: March 31, 2018.

Type of Request: Extension of a currently approved information collection.

Abstract: Through its direct single family housing loan and grant programs (specifically the Sections 502 and 504 programs), RHS provides eligible applicants with financial assistance to own adequate but modest homes in rural areas. The financing and servicing is provided directly by RHS. The Section 502 direct loan program provides 100 percent loan financing to assist low- and very low-income applicants purchase modest homes in eligible rural areas by providing payment assistance to increase an applicant's repayment ability. The Section 504 loan program provides one percent interest rate loans to very low-income homeowners in eligible rural areas to repair, improve, or modernize their home or to remove health and safety hazards. The Section 504 grant program provides grants to elderly very low-income homeowners in eligible rural areas to remove health and safety hazards, or accessibility barriers from their home, often in conjunction with a Section 504 loan.

Applicants must provide the Agency with a uniform residential loan application and supporting documentation (e.g. verification of income, assets, liabilities, etc.) when applying for assistance. The information requested regarding the applicant and the property is vital in order for the Agency to make sound eligibility and underwriting decisions that comply with the laws and regulations that govern the programs. The information requested is comparable to that required by any public or private mortgage lender.

When servicing loans, RHS offers servicing options that are standard to the industry. In addition, RHS offers unique servicing options (e.g. payment subsidies and payment moratoriums) and is required to take unique servicing actions (e.g., review borrowers for their ability to refinance with private credit). Borrowers must provide the Agency with pertinent information when a servicing option/action is requested/required in order for the Agency to make sound servicing decisions that comply with the laws and regulations that govern the programs.

Estimate of Burden: Public burden for this collection of information is estimated to average .5 hours per response.

Respondents: Approximately 28,000 applicants seeking direct single family housing loans and grants from the Agency and approximately 276,800 existing borrowers who have active loans and grants under the Section 502 and 504 programs.

Estimated Number of Respondents: 673,560.
