

each senior's search for a senior living facility is highly localized, APFM and *Caring.com* operate, compete and contract with senior living facility operators on a national basis.

#### V. Market Structure

The Commission's Complaint alleges that *Caring.com* is APFM's closest competitor, they are the two largest third-party paid referral services companies for seniors, and they have similar business models. APFM and *Caring.com* are internet-based referral services providers that compete to attract consumers via Web sites with national reach, and they enter into contracts with senior living facility operators both locally and nationally. Other than APFM and *Caring.com*, there is a fringe of small regional and local companies that act as third-party paid referral services companies.

#### VI. Effects of the Transaction

The Commission's Complaint alleges that the Transaction, if consummated, may substantially lessen present and future competition between APFM and *Caring.com* by increasing the likelihood that Red Ventures would unilaterally exercise market power and increasing the likelihood of coordinated interaction between APFM and *Caring.com*.

General Atlantic and Silver Lake have the ability to influence or control the management of *Caring.com*. They are both active investors with board representation on, and other substantial rights over, Red Ventures. General Atlantic and Silver Lake's ownership of APFM may create incentives for them to exercise influence or control over Red Ventures in a manner that could substantially reduce competition between APFM and *Caring.com*.

#### VII. Entry Conditions

Entry into the relevant market would not be timely, likely, or sufficient to

deter or counteract the anticompetitive effects of the Transaction. The primary barrier to entry is the network and scale needed to acquire and convert qualified leads into actual move-ins at senior living facilities. This requires the ability not only to compete effectively in search engine optimization and marketing, but also to establish contracts with hundreds of senior living facilities nationwide, and have the necessary infrastructure, including experienced senior advisors, to convert leads into paying referrals.

#### VIII. The Agreement Containing Consent Order

The Proposed Order resolves the anticompetitive concerns raised by the Transaction by eliminating the only overlap between Red Ventures/Bankrate and APFM. The Proposed Order restores current and potential competition by accepting a divestiture of the *Caring.com* business. *Caring.com* was independent before it was acquired by *Bankrate.com* in 2014, and it continues to operate semi-autonomously. The Proposed Order gives the Commission the right to approve a buyer, and prevents General Atlantic and Silver Lake from being involved in the divestiture process.

The Proposed Order allows the Commission to appoint a monitor to ensure compliance with the terms of the Proposed Order, including the provision of transition services to an acquirer and firewalls related to *Caring.com*'s confidential business information. The Proposed Order also prevents Red Ventures from possessing or seeking any confidential business information from APFM or providing any services to APFM for six months after the divestiture of *Caring.com*. The Commission may appoint a trustee if Red Ventures has not divested *Caring.com* and its related assets within the prescribed time-period.

The Commission does not intend this analysis to constitute an official interpretation of the proposed Order or to modify its terms in any way.

By direction of the Commission.

Donald S. Clark,

Secretary.

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice.
