FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–0633 and 3060–0727]

Information Collections Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of

information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before January 23, 2018. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the PRA of 1995 (44 U.S.C. 3501-3520), the FCC invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060-0633.

Title: Sections 73.1230, 74.165, 74.432, 74.564, 74.664, 74.765, 74.832, 74.1265 Posting or Filing of Station Licenses.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities, Not-for-profit institutions, Federal Government and State, local or Tribal Government.

Number of Respondents and Responses: 2,584 respondents and 2,584 responses.

Estimated Hours per Response: 0.083 hours.

Frequency of Response: On occasion reporting requirement, recordkeeping requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in Section 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 214 hours.

Total Annual Cost: \$24,860.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Privacy Impact Assessment: No impact(s).

Needs and Uses: The information collection requirements contained in this collection are as follows:

47 CFR 73.1230 requires that the station license and any other instrument of station authorization for an AM, FM or TV station be posted in a conspicuous place at the place the licensee considers to be the principal control point of the transmitter.

47 CFR 74.165 requires that the instrument of authorization for an experimental broadcast station be available at the transmitter site.

47 CFR 74.432(j) (remote pickup broadcast station) and 47 CFR 74.832(j) (low power auxiliary station) require that the license of a remote pickup broadcast/low power auxiliary station shall be retained in the licensee's files, posted at the transmitter, or posted at the control point of the station. These sections also require the licensee to forward the station license to the FCC in the case of permanent discontinuance of the station.

47 CFR 74.564 (aural broadcast auxiliary stations) requires that the station license and any other instrument of authorization be posted in the room where the transmitter is located, or if operated by remote control, at the operating position.

47 CFR 74.664 (television broadcast auxiliary stations) requires that the station license and any other instrument

of authorization be posted in the room where the transmitter is located.

47 CFR Sections 74.765 (low power TV, TV translator and TV booster) and 47 CFR 74.1265 (FM translator stations and FM booster stations) require that the station license and any other instrument of authorization be retained in the station's files. In addition, the call sign of the station, together with the name, address and telephone number of the licensee or the local representative of the licensee, and the name and address of the person and place where the station records are maintained, shall be displayed at the transmitter site on the structure supporting the transmitting antenna.

47 CFR 74.832(j) (low power auxiliary stations) requires that the license shall be retained in the licensee's files at the address shown on the authorization, posted at the transmitter, or posted at the control point of the station.

OMB Control Number: 3060-0727.

Title: Section 73.213, Grandfathered Short-Spaced Stations.

Form Number(s): Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 15 respondents; 15 responses.

Estimated Time per Response: 0.5 hours-0.83 hours.

Frequency of Response: On occasion reporting requirement; Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 Section 154(i), 55(c)(1), 302 and 303 of the Communications Act of 1934, as amended.

Total Annual Burden: 20 hours.

Total Annual Costs: \$3,750.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: The information collection requirement contained in 47 CFR 73.213 requires licensees of grandfathered short-spaced FM stations seeking to modify or relocate their stations to provide a showing demonstrating that there is no increase in either the total predicted interference area or the associated population (caused or received) with respect to all grandfathered stations or increase the interference caused to any individual stations. Applicants must demonstrate that any new area predicted to lose service as a result of interference has adequate service remaining. In addition, licensees are required to serve a copy of any application for co-channel or first-

adjacent channel stations proposing predicted interference caused in any area where interference is not currently predicted to be caused upon the licensee(s) of the affected short-spaced station(s). Commission staff uses the data to determine if the public interest will be served and that existing levels of interference will not be increased to other licensed stations. Providing copies of application(s) to affected licensee(s) will enable potentially affected parties to examine the proposals and provide them an opportunity to file informal objections against such applications.
