

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–82129; File No. SR–MRX–2017–24]

Self-Regulatory Organizations; Nasdaq MRX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to All-Or-None Orders

November 20, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 13, 2017, Nasdaq MRX, LLC (“MRX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 713 to delete Supplementary Material .02, which no longer is applicable.

The text of the proposed rule change is available on the Exchange’s Web site at www.ise.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange previously filed a rule change to amend the All-Or-None Order so that it may only be entered into the trading system with a time-in-force

designation of Immediate-Or-Cancel.³ Previously, an All-Or-None Order was a limit or market order that is to be executed in its entirety or not at all. It was designated as a market or limit order with any time-in-force designation. The Exchange filed to limit All-Or-None Orders to only be accepted with a time-in-force designation of Immediate-Or-Cancel.⁴ Today, an Immediate-Or-Cancel Order is a limit order that is to be executed in whole or in part upon receipt. Any portion not so executed is to be treated as cancelled. At that time, the Exchange also proposed to amend Supplementary Material .02 to Rule 713 to make clear that All-Or-None Orders will only be accepted with a time-in-force designation of Immediate-Or-Cancel and, therefore, would not persist in the Order Book.⁵

The Exchange proposes at this time to remove Supplementary Material .02 to Rule 713 as unnecessary as All-Or-None Orders do not rest on the Order Book.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest because the current notation in Supplementary Material .02 to Rule 713 is confusing and unnecessary. All-Or-None Orders do not rest on the order book and do not allocate differently than any other incoming order therefore no specific mention of this order type is necessary for Rule 713 which discusses priority.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. This proposal seeks to delete rule text which is unnecessary and may lead to confusion. All-Or-None Orders do not rest on the order book and do not

allocate differently than any other incoming order.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b–4(f)(6) thereunder.⁹

A proposed rule change filed under Rule 19b–4(f)(6)¹⁰ normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b–4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest as it will allow the Exchange to immediately delete unnecessary rule text which may minimize potential investor confusion. Accordingly, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

In addition, Rule 19b–4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
