Bureau of Land Management

Notice of Intent To Collect Fees at the Guffey Gorge Day-Use Area in Park County, Colorado

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Pursuant to applicable provisions of the Federal Lands Recreation Enhancement Act (FLREA), the Bureau of Land Management's (BLM) Royal Gorge Field Office is proposing to begin collecting fees for a Standard Amenity Day-Use Site in the Guffey Gorge Day-Use Area, east of Guffey, within Park County, Colorado. In the 2015 Guffey Gorge Management Plan, the BLM designated Guffey Gorge Day-Use Area as a Special Area, where resources require intensive management and control measures for their protection, and a permit system to achieve management objectives.

DATES: Comments on the proposed fee changes must be received or postmarked by February 28, 2018 and include a legible full name and address. Applicable May 29, 2018, the BLM will initiate fee collection at the Guffey Gorge Day-Use Area, unless the BLM publishes a **Federal Register** notice to the contrary. Comments received after

the close of the comment period or delivered to an address other than the one listed in this notice may not be considered or included in the administrative record for the proposed fee.

ADDRESSES: Documents concerning this fee change may be reviewed at the Royal Gorge Field Office, 3028 E. Main Street, Canon City, CO 81212; phone: 719-269-8500; and online at: <https://go.usa.gov/xnKWH>.

FOR FURTHER INFORMATION CONTACT:

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service at 1-800-877-8339 to contact the above individual during normal business hours. The Service is available 24 hours a day, seven days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: In 2013, the BLM began the public planning process for developing a management plan for the 80-acre Guffey Gorge parcel to manage the increasing impacts and conflicts related to high visitation numbers. This process included presentations and site tours with the Resource Advisory Council (RAC), the BLM Solicitor, the Park County Sheriff, and neighboring landowners. The BLM released the draft Business Plan and Guffey Gorge Management Plan Environmental Assessment (EA) for public comment in November 2014. The BLM considered all comments from the EA when preparing the final versions of these documents as well as the Finding of No Significant Impact (FONSI) and Decision Record. The BLM signed the FONSI and Decision Record on June 29, 2015.

The EA and Business Plan provide management direction for regulating recreational visitation, while minimizing impacts to other resources and providing a high quality experience. The Business Plan analyzed anticipated management costs and a variety of revenue structures to determine a fee that is comparable to fees charged by regional facilities that offer similar amenities.

This Business Plan, prepared pursuant to the FLREA and BLM recreation fee program policy, addressed establishing user fees. It established the rationale for charging standard amenity fees, explained the fee collection process, and outlined how the fees would be used at the Guffey Gorge Day-Use Area.
