

not members of any federally acknowledged Indian Tribe. Because the GTEC petitioner is composed principally of persons who are not members of other federally-recognized Indian Tribes, it therefore meets this criterion.

Criterion (g) requires that neither the petitioner nor its members are the subject of congressional legislation that has expressly terminated or forbidden the Federal relationship. The PF stated that the petitioner met criterion (g), and neither the petitioner nor other party submitted new evidence to change that conclusion. Therefore, the petitioner meets the requirements of criterion 83.7(g).

This **Federal Register** notice under 25 CFR part 83 is the FD to deny Federal acknowledgment to the Georgia Tribe of Eastern Cherokee petitioner. The petitioner does not satisfy all seven of the mandatory criteria in § 83.7, and therefore, the AS-IA declines to acknowledge that the petitioner is an Indian Tribe under § 83.10(m). As provided in § 83.10(h) of the regulations, this FD summarizes the evidence, reasoning, and analyses that form the bases for this decision. In addition to its publication in the **Federal Register**, this notice will be posted on the Department's Indian Affairs website at www.bia.gov.

This FD on GTEC will become a final and effective agency action 90 days after the publication of this notice in the **Federal Register**, unless the petitioner or interested party files a request for reconsideration under the procedures in § 83.11, with the Interior Board of Indian Appeals (IBIA). The IBIA must receive this request no later than 90 days of the publication of this **Federal Register** notice. The final determination will become effective as provided in the regulations 90 days from the **Federal Register** publication unless a request for reconsideration is filed within that time period.

Dated: December 14, 2017.

John Tahsuda,

Principal Deputy Assistant Secretary—Indian Affairs, Exercising the Authority of the Assistant Secretary—Indian Affairs.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On December 20, 2017, the Department of Justice lodged a proposed consent decree with the United States District Court for the Western District of Pennsylvania in the lawsuit entitled *PennEnvironment, Inc., et al. v. ArcelorMittal Monessen LLC, et al.*, Civil Action No. 2:15-cv-01314-CRE.

The lawsuit seeks injunctive relief and civil penalties for violations of the Clean Air Act, Pennsylvania's federally-approved State Implementation Plan ("Pennsylvania SIP"), and a Title V operating permit ("Title V permit") at Defendant ArcelorMittal Monessen LLC's ("AMM") coke production facility in Monessen, Pennsylvania ("Monessen Plant"). The principal violations relate to alleged failures to meet opacity limits applicable to the coke oven battery combustion stacks and pushing operations, resulting in emissions of particulate matter and other pollutants to the atmosphere.

The proposed decree requires AMM to perform injunctive relief and pay a \$1.5 million civil penalty. Entering into and fully complying with the proposed consent decree will release AMM from past civil liability at the Monessen Plant for various types of violations of the Pennsylvania SIP and the Title V permit, including the opacity violations alleged in the complaint.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *PennEnvironment, Inc., et al. v. ArcelorMittal Monessen LLC*, D.J.
