### Summary of the Application

1. Applicants request an order that would allow Funds to operate as actively-managed exchange traded funds (“ETFs”).<sup>1</sup> Fund shares will be

<sup>1</sup> Applicants request that the order apply to the Initial Fund, as well as to future series of the Trust and any other existing or future open-end management investment companies or series thereof (each, included in the term “Fund”), each of which will operate as an actively-managed ETF. Any Fund will (a) be advised by the Initial Adviser or an entity controlling, controlled by, or under common control with the Initial Adviser (each of the foregoing and any successor thereto included in the term “Adviser”) or any successor thereto, and

purchased and redeemed at their NAV in Creation Units only. All orders to purchase Creation Units and all redemption requests will be placed by or through an “Authorized Participant,” which will have signed a participant agreement with a broker-dealer registered under the Securities Exchange Act of 1934 (“Exchange Act”) (“Distributor”). Shares will be listed and traded individually on a national securities exchange, where share prices will be based on the current bid/offer market. Certain Funds may operate as Feeder Funds in a master-feeder structure. Any order granting the requested relief would be subject to the terms and conditions stated in the application.

2. Each Fund will consist of a portfolio of securities and other assets and investment positions (“Portfolio Instruments”). Each Fund will disclose on its website the identities and quantities of the Portfolio Instruments that will form the basis for the Fund’s calculation of NAV at the end of the day.

3. Shares will be purchased and redeemed in Creation Units and generally on an in-kind basis. Except where the purchase or redemption will include cash under the limited circumstances specified in the application, purchasers will be required to purchase Creation Units by depositing specified instruments (“Deposit Instruments”), and shareholders redeeming their shares will receive specified instruments (“Redemption Instruments”). The Deposit Instruments and the Redemption Instruments will each correspond pro rata to the positions in the Fund’s portfolio (including cash positions) except as specified in the application.

4. Because shares will not be individually redeemable, applicants request an exemption from section 5(a)(1) and section 2(a)(32) of the Act that would permit the Funds to register as open-end management investment companies and issue shares that are redeemable in Creation Units only.

5. Applicants also request an exemption from section 22(d) of the Act and rule 22c–1 under the Act as secondary market trading in shares will take place at negotiated prices, not at a current offering price described in a Fund’s prospectus, and not at a price based on NAV. Applicants state that (a)

(b) comply with the terms and conditions of the application. For purposes of the requested Order, a “successor” is limited to an entity or entities that result from a reorganization into another jurisdiction or a change in the type of business organization.
