AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain cased pencils (pencils) from the People's Republic of China (China) for the period of review (POR) December 1, 2016, through November 30, 2017.

DATES: Applicable June 18, 2018.

FOR FURTHER INFORMATION CONTACT:

Sergio Balbontin, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue

NW, Washington, DC 20230; telephone: (202) 482-6478.

SUPPLEMENTARY INFORMATION:

Background

On December 4, 2017, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on pencils from China for the POR December 1, 2016, through November 30, 2016.¹

On December 29, 2017, Dixon Ticonderoga Company (the petitioner) requested an administrative review of the order with respect to entries of subject merchandise made by Shandong Rongxin Import & Export Co., Ltd. (Rongxin), Wah Yuen Stationery Co. Ltd., and any affiliated entities including but not limited to Shandong Wah Yuen Stationery Co. Ltd. and Tianjin Tonghe Stationery Co. Ltd. (collectively, the Wah Yuen entity).² On January 2, 2018, Orient International Holding Shanghai Foreign Trade Co., Ltd. (SFTC) requested an administrative review of itself.³ On February 23, 2018, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review with respect to (1) Rongxin, (2) the Wah Yuen entity, and (3) SFTC.⁴ On April 9, 2018, SFTC withdrew its request for an administrative review.⁵ On May 23, 2018, the petitioner withdrew its request for an administrative review of Rongxin and the Wah Yuen entity.⁶ No other party requested an administrative review of this order.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of

initiation of the requested review. In this case, SFTC and the petitioner timely withdrew their requests by the 90-day deadline and no other party requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of the antidumping duty order on pencils from China for the POR December 1, 2016, through November 30, 2017, in its entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of pencils from China during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

SUPPLEMENTARY INFORMATION:

Species Covered in This Notice

The proposed Enhancement of Survival Permit and Agreement are intended to promote the survival and recovery of endangered CCC coho salmon and threatened CCC steelhead.

Authority

Enhancement of Survival Permits are issued in accordance with section 10(a)(1)(A) of the ESA (16 U.S.C. 1531 *et seq.*), and regulations governing ESA-listed fish and wildlife permits (50 CFR parts 222–227). NMFS issues permits based on findings that such permits: (1) Were applied for in good faith; (2) if granted and exercised would not operate to the disadvantage of the listed species that are the subject of the permit; and (3) are consistent with the purposes and policy set forth in section 2 of the ESA. The authority to take listed species is subject to conditions set forth in the permits.

Under a Safe Harbor Agreement, participating landowners voluntarily undertake management activities on their property to enhance, restore, or maintain habitat benefiting species listed under the ESA. Safe Harbor Agreements, and the subsequent Enhancement of Survival Permits that are issued pursuant to section

10(a)(1)(A) of the ESA, encourage private and other non-Federal property owners to implement conservation efforts for listed species by assuring property owners that they will not be subjected to increased property-use restrictions as a result of their efforts to attract listed species to their property and increase the numbers or distribution of these species already on their property. Application requirements and issuance criteria for Enhancement of Survival Permits through Safe Harbor Agreements are found in 50 CFR 222.308(b), 222.308(c), and the Announcement of Final Safe Harbor Policy published on June 17, 1999 (64 FR 32717). These permits allow any necessary future incidental take of covered species above the mutually agreed-upon baseline conditions for those species in accordance with the terms and conditions of the permits and accompanying agreements.

An interested party may submit data, views, arguments, or a request for a hearing with respect to the action proposed in the application or related matters. Anyone requesting a hearing on a matter pursuant to this notice should set out the specific reasons why a hearing on that matter would be appropriate (see **ADDRESSES**). Such hearings are held at the discretion of the Assistant Administrator for Fisheries, NMFS.

Applications Received

Permit 22228

Ms. Barbara Banke, Trustee of Barbara R. Banke Revocable Trust, (Applicant) is requesting an Enhancement of Survival Permit and approval of an associated proposed Agreement that was developed by NMFS and the Applicant. The Enhancement of Survival Permit will facilitate implementation of the Agreement that is expected to promote the recovery of the covered species on non-Federal property within the Yellowjacket Creek and Kellogg Creek on the Applicant’s Kellogg Ranch. Yellowjacket Creek and Kellogg Creek are tributaries to Redwood Creek, thence Maacama Creek, thence the Russian River in Sonoma County, California.

The proposed duration of the Agreement and the associated Enhancement of Survival Permit is 25 years. The proposed Enhancement of Survival Permit would authorize the incidental taking of CCC coho salmon and CCC steelhead that may be associated with covered activities including beneficial management activities, routine land use activities, and the potential future return of the
