Needs and Uses: The DD-2642, "TRICARE DoD/CHAMPUS Medical Claim Patient's Request for Medical Payment" form is used by TRICARE beneficiaries to claim reimbursement for medical expenses under the TRICARE Program (formerly the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS)). The information collected will be used by TRICARE to determine beneficiary eligibility, other health insurance liability, certification that the beneficiary has the received care, and reimbursement for medical services received.

Affected Public: Individuals or Households.

Annual Burden Hours: 207,500.

Number of Respondents: 830,000.

Responses per Respondent: 1.

Annual Responses: 830,000.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

The respondents to this information collection are TRICARE beneficiaries which include active duty service members, retirees, family members, and others. The DD-2642 is used by beneficiaries to file for reimbursement of out-of-pocket costs paid to providers and suppliers for authorized health care services or supplies. The information collected by the DD-2642 also aids TRICARE in determining beneficiary eligibility, health insurance liability and to certify the beneficiary has received the medical care as indicated.

Respondents may obtain the DD-2642 by various methods. The DD-2642 may be completed online via the TRICARE website, tricare.mil. Additionally, respondents may print the form from the TRICARE website or the Department of Defense forms web page, www.esd.whs.mil/Directives/forms/ and complete the DD-2642 by hand. Respondents may also call their designated regional contractor who can direct respondents on how to obtain the DD-2642. Respondents can identify their regional contractor through the TRICARE website. Respondents residing overseas may visit their local military treatment facility Tricare Service Center to request a copy of the DD-2642. Respondents may complete the DD-2642 online and submit it immediately, or in some cases, choose to mail their completed DD-2642 to their regional contractor. The regional contractor then enters the information into the TRICARE Record Encounter Data System.
