SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), NARA invites the general public and other Federal agencies to comment on proposed information collections. We published a notice of proposed collection for these information collections on April 10, 2018 (83 FR 15410), and we received no comments. We are therefore submitting them to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collection is necessary for NARA to properly perform its functions; (b) NARA's estimate of the burden of the proposed information collection and its

accuracy; (c) ways NARA could enhance the quality, utility, and clarity of the information it collects; (d) ways NARA could minimize the burden on respondents of collecting the information, including the through information technology; and (e) whether the collection affects small businesses. In this notice, NARA solicits comments concerning the following information collections:

1. *Title:* National Historical Publications and Records Commission (NHPRC) Grant Program Budget Form and Instructions and NHPRC Grant Offer Acknowledgement.

OMB number: 3095–0013.

Agency form number: NA Form 17001 and 17001a.

Type of review: Regular.

Affected public: Nonprofit organizations and institutions, state and local government agencies, and Federally-acknowledged or state-recognized Native American tribes or groups, who apply for and receive NHPRC grants for support of historical documentary editions, archival preservation and planning projects, and other records projects.

Estimated number of respondents: 244 per year submit applications; approximately 25 grantees need to submit revised budgets.

Estimated time per response: 10 hours per application; 5 hours per revised budget.

Frequency of response: On occasion for the application; as needed for revised budget. Currently, the NHPRC considers grant applications 2 times per year. Respondents usually submit no more than one application per year, and, for those who need to submit revised budgets, only one revised budget per year.

Estimated total annual burden hours: 1,765 hours.

Abstract: The NHPRC posts grant announcements to their website and to grants.gov (*www.grants.gov*), where the information will be specific to the grant opportunity named. The basic information collection remains the same. The NA Form 17001 is used by the NHPRC staff, reviewers, and the Commission to determine if the applicant and proposed project are eligible for an NHPRC grant, and whether the proposed project is methodologically sound and suitable for support. The NA Form 17001a, NHPRC Grant Offer Acknowledgement, is used after the Archivist of the United States, as chair of the Commission, recommends a grant for approval. The prospective grantee must acknowledge the offer of the grant and agree to meet

the requirements of applicable Federal regulations. In addition, they must verify the existence of an indirect cost agreement with a cognizant Federal agency if they are claiming indirect costs in the project's budget.

2. *Title:* Accounting System and Financial Capability Questionnaire.
OMB number: 3095-0072.

Agency form numbers: NA Form 17003.

Type of review: Regular.

Affected public: Not-for-profit institutions and State, Local, or Tribal Government.

Estimated number of respondents: 75.

Estimated time per response: 4 hours.

Frequency of response: On occasion.

Estimated total annual burden hours: 300.

Abstract: Pursuant to the Title 2, Section 215 of the Code of Federal Regulations, Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations (formerly Office of Management and Budget (OMB) Circular A-110) and Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, grant recipients are required to maintain adequate accounting controls and systems in managing and administering Federal funds. Some of the recipients of grants from the National Historical Publications and Records Commission (NHPRC) have proven to have limited experience with managing Federal funds. This questionnaire is designed to identify those potential recipients and provide appropriate training or additional safeguards for Federal funds. Additionally, the questionnaire serves as a pre-audit function in identifying potential deficiencies and minimizing the risk of fraud, waste, abuse, or mismanagement, which we use in lieu of a more costly and time consuming formal pre-award audit.
