

Mortgage Loan Sale Policy

HUD reserves the right to add Mortgage Loans to or delete Mortgage Loans from MHLS 2018–2 at any time prior to the Award Date. HUD also reserves the right to reject any and all bids, in whole or in part, without prejudice to HUD's right to include the Mortgage Loans in a later sale. The Mortgage Loans will not be withdrawn after the award date except as is specifically provided for in the Loan Sale Agreement.

This is a sale of unsubsidized mortgage loans, pursuant to Section 204(a) of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act of 1997, (12 U.S.C. 1715z–11a(a)).

Mortgage Loan Sale Procedure

HUD selected a competitive sale as the method to sell the Mortgage Loans. This method of sale optimizes HUD's return on the sale of these Mortgage Loans, affords the greatest opportunity for all qualified bidders to bid on the Mortgage Loans, and provides the most efficient vehicle for HUD to dispose of the Mortgage Loans.

Bidder Eligibility

10. Freedom of Information Act Requests

HUD reserves the right, in its sole and absolute discretion, to disclose information regarding MHLS 2018–2, including, but not limited to, the identity of any successful bidder and its bid price or bid percentage for the Mortgage Loans, upon the closing of the sale of the Mortgage Loans. SUPPLEMENTARY INFORMATION: The Green Diamond Resource Company of Korb, California (applicant), has applied to the U.S. Fish and Wildlife Service (Service) for the issuance of an incidental take permit under section 10 (a)(1)(B) of the Endangered Species Act, as amended (ESA; 16 U.S.C. 1531 *et seq.*). The applicant is applying for a new incidental take permit to replace an existing 30-year permit that is due to expire in 2022. The applicant is requesting a permit for incidental take of four animal species during the proposed 50-year permit. The permit is needed to authorize incidental take of listed animal species resulting from covered activities. Additionally, the Applicant has applied for the issuance of a Migratory Bird Scientific Collecting Permit (50 Code of Federal Regulations [CFR] 21.23) under the Migratory Bird

Treaty Act in support of research to determine whether removal of barred owls (*Strix varia*) can be scaled up to the Plan Area level for the benefit of northern spotted owls. The applicant's proposed habitat conservation plan (HCP) area encompasses 357,412 acres of commercial timberland in Humboldt and Del Norte counties, California.

Pursuant to the National Environmental Policy Act (NEPA), we advise the public of the availability of the proposed HCP and our draft environmental impact statement (DEIS).

Background

Section 9 of the ESA and Federal regulations prohibit the "take" of fish and wildlife species federally listed as endangered or threatened. Take of federally listed fish or wildlife is defined under the ESA as to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect listed species, or attempt to engage in such conduct (16 U.S.C. 1538). "Harm" includes significant habitat modification or degradation that actually kills or injures listed wildlife by significantly impairing essential behavioral patterns, including breeding, feeding, and sheltering (50 CFR 17.3). Under limited circumstances, we may issue permits to authorize incidental take that is not the purpose of, otherwise lawful activities.

The Migratory Bird Treaty Act protects over 1000 species of birds, including the barred owl. The Migratory Bird Treaty Act provides that it is unlawful to pursue, hunt, take, capture, kill, possess, sell, purchase, barter, import, export, or transport any migratory bird, or any part, nest, or egg of any such bird, unless authorized under a permit issued by the Secretary of the Interior. As authorized by the Migratory Bird Treaty Act, the Service may issue permits for scientific collecting (50 CFR 21.23). Migratory bird permits are issued by the Regional Migratory Bird Permit Offices. The permit for this experiment would be issued by the USFWS Pacific Southwest Region in Sacramento, California.

The proposed incidental take permit would cover one bird species, the northern spotted owl (*Strix occidentalis caurina*), which is federally listed as threatened. Three mammal species are also proposed to be covered; these species have no Federal listing status, and are the fisher (*Pekania pennanti*), red tree vole (*Arborimus longicaudus*), and Sonoma vole (*Arborimus pomus*).

To determine whether removal of barred owls can be scaled up to the Plan Area level for the benefit of northern spotted owls, a Migratory Bird Scientific

Collecting Permit for barred owl is proposed.

The HCP area encompasses 357,412 acres. The HCP and permit contain conservation measures considered necessary to minimize and mitigate the impacts, to the maximum extent practicable, of the potential taking of federally listed species to be covered by the HCP and the habitats upon which they depend. The covered activities under the HCP are those associated with commercial forest management within the plan area.

National Environmental Policy Act Compliance

The DEIS analyzes four land management alternatives. These include a "no action" alternative, which allows the existing 30-year incidental take permit to expire at the end of its term in 2022 with no permit replacement. The proposed action consists of a four-species HCP and associated permit with a 50-year term. Two other "action" alternatives are included. Alternatives A and B evaluate a single-species HCP and 50-year permit for the northern spotted owl only. Alternative B is unique from Alternative A, as it proposes a shift in company policy from even-aged forest management toward uneven-aged forest management.

Indian Entities Recognized and Eligible To Receive Services from the United States Bureau of Indian Affairs

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice publishes the current list of 573 Tribal entities recognized and eligible for funding and services from the Bureau of Indian Affairs (BIA) by virtue of their status as Indian Tribes. The list is updated from the notice published on January 30, 2018.

FOR FURTHER INFORMATION CONTACT: Ms. Laurel Iron Cloud, Bureau of Indian Affairs, Division of Tribal Government Services, Mail Stop 3645–MIB, 1849 C Street NW, Washington, DC 20240. Telephone number: (202) 513–7641.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to Section 104 of the Act of November 2, 1994 (Pub. L. 103–454; 108 Stat. 4791, 4792), and in exercise of authority delegated to the Assistant Secretary—Indian Affairs under 25 U.S.C. 2 and 9 and 209 DM 8. Published below is an updated list of federally acknowledged Indian Tribes in the contiguous 48 states and Alaska. Amendments to the list include formatting edits, name changes and name corrections. The addition of six tribes to the list of Indian entities results from the January 29, 2018 enactment of the Thomasina E. Jordan Indian Tribes of Virginia Federal Recognition Act of 2017. The legislation recognized the Chickahominy Indian Tribe, the Chickahominy Indian Tribe—Eastern Division, the Monacan Indian Nation, the Nansemond Indian Tribe, the Rappahannock Tribe, Inc., and the Upper Mattaponi Tribe.

To aid in identifying tribal name changes and corrections, the Tribe's previously listed or former name is included in parentheses after the correct current Tribal name. We will continue to list the Tribe's former or previously listed name for several years before

dropping the former or previously listed name from the list.

The listed Indian entities are acknowledged to have the immunities and privileges available to federally recognized Indian Tribes by virtue of their government-to-government relationship with the United States as well as the responsibilities, powers, limitations, and obligations of such Tribes. We have continued the practice of listing the Alaska Native entities separately for the purpose of facilitating identification of them.

Dated: June 20, 2018.

John Tahsuda,

Principal Deputy Assistant Secretary—Indian Affairs, Exercising the authority of the Assistant Secretary—Indian Affairs.
