LSC encourages applicants to use LSC’s Agreement Template as a model subgrant agreement. If the applicant does not, the proposed agreement must include, at a minimum, the substance of the provisions of the Template.

Once submitted, LSC will evaluate the application and provide applicants with instructions on any needed modifications to the information, documents, or Draft Agreement provided with the application. The applicant must then upload a final and signed subgrant agreement through LSC Grants. This can be done by selecting “Upload Signed Agreement” to the right of the application “Status” under the “Subgrant” heading on an applicant’s LSC Grants home page.

As required by 45 CFR 1627.4(b)(3), LSC will inform applicants of its decision to disapprove, approve, or request modifications to the subgrant no later than the subgrant’s proposed effective date.
